Advising
Our experienced academic advisors are an important resource to help you explore enrollment at Curry College. Advisors will share program details and requirements, course selection and scheduling, admissions and financial aid. They will assist you with creating an educational plan that guides you in meeting your academic and career goals.

To accommodate your busy schedule, advisors are available by appointment, by telephone or online. Contact the campus of your choice to speak with an advisor or to schedule an appointment:

Milton: 617-333-2364 • Plymouth: 508-747-2424 • Email: ccce@curry.edu
• Chat online at curry.edu/cegrad

Transfer Credit Review Service
Curry’s transfer credit review service allows you to quickly and easily understand how your prior credits can be applied to a Curry College bachelor’s degree.

• Transfer credit policy allows you to transfer up to 90 credits toward your bachelor’s degree
• Knowledgeable advisors can provide you with an on-the-spot assessment of transfer credits
• No time limit on prior earned credits
• No application fee for Continuing Education students

Financial Aid
Our team will help you explore all available financing options so you can make an informed decision. Federal financial assistance programs are available to those who qualify throughout the year, along with a variety of private educational loan programs.
The Division of Continuing and Graduate Studies is pleased to expand our online and hybrid course offerings to help meet the needs of busy, adult students. Online courses are delivered completely online with no scheduled in-class meetings. Hybrid courses combine face-to-face and online activities. Hybrid courses may take a variety of formats, i.e., some are held weekly for a shorter period of time; others alternate face-to-face and online weeks. Actual required in-class meeting time in hybrid courses may vary by major and by individual course. With some courses, the schedule is adjusted based on the mutual needs of students and faculty. When possible, the specific meeting dates and times are indicated in this Guide. The specific schedule will be included in the syllabus and discussion on the first night of class.

*HYBRID & ONLINE COURSES* The Division of Continuing and Graduate Studies is pleased to expand our online and hybrid course offerings to help meet the needs of busy, adult students. Online courses are delivered completely online with no scheduled in-class meetings. Hybrid courses combine face-to-face and online activities.

Hybrid courses may take a variety of formats, i.e., some are held weekly for a shorter period of time; others alternate face-to-face and online weeks. Actual required in-class meeting time in hybrid courses may vary by major and by individual course. With some courses, the schedule is adjusted based on the mutual needs of students and faculty. When possible, the specific meeting dates and times are indicated in this Guide. The specific schedule will be included in the syllabus and discussion on the first night of class.

Unless otherwise noted all courses are 3 credits.  

**Course held at Beth Israel Deaconess Hospital – Plymouth**

TUITION AND REGISTRATION INFORMATION

Registration Information
We encourage you to register early to ensure best course selection.

In Person
Come to the Continuing and Graduate Studies Office during regularly scheduled office hours in Milton or Plymouth.
(See inside back cover for campus hours.)

Online
Current students may log onto the web portal at my.curry.edu and select the MySchedule tab.

By Mail
Mail completed registration form and payment to:
Curry College Division of Continuing and Graduate Studies
• 1071 Blue Hill Avenue, Milton, MA 02186-2395
• 20 North Park Avenue, Plymouth, MA 02360

Tuition and Fees
All tuition and fees are due at the time of registration.
Rates below are effective Spring 2017 through Summer 2017

- Continuing Education Milton* $442 per credit
- Continuing Education Plymouth $386 per credit
- Nursing RN to BS (all locations) $489 per credit
- Fully Online Courses $442 per credit

A nominal lab fee of $75 or less will apply to courses marked with an asterisk on the schedule pages.
* Milton rate applies only to weekday after 4:00 p.m. and all weekend classes.

Payment Options
A deferred payment option is available to Continuing Education students who demonstrate that they have a tuition reimbursement benefit through their employer or the government. Students who qualify may pay their tuition at the end of each course, rather than upon registration. Students in this category are responsible for payment, and tuition may not be left unpaid pending reimbursement by an employer or other agency. Please contact the Continuing and Graduate Studies Office for further details and to complete a Deferred Payment Request Form. The deferred payment option is not available for graduate courses but graduate students may inquire about a multiple payment plan by calling the Graduate Studies Office at (617) 333-2243.

Direct billing is available for students who demonstrate that their employer or other organization will be paying the college directly for their classes. Students in this category may register upon providing appropriate documentation, such as a purchase order or voucher.

Online payments: Curry College partners with Tuition Management Systems (TMS) to process credit/debit card and checking/savings account payments online. TMS accepts American Express, Discover, MasterCard and VISA cards. To pay online, simply log onto the TMS secure website at www.curryce.afford.com/paynow and select “Make a One Time Payment”.

Students can also access this online payment gateway directly from the Curry Web Portal. Credit and debit card transactions will have a service fee applied. A transfer payment from a bank checking or savings account will not incur a service fee.

Grade/Pass/Fail
Only Continuing Education courses outside of the student’s major may be declared Pass/Fail. Only one course each semester may be graded in this manner. The deadline for declaring is the same as the withdrawal deadlines outlined in the Key Dates section of this Schedule Guide. Please request the form from any Continuing and Graduate Studies Office. The Pass/Fail option is not available for Graduate courses.

Auditing a Course
Non-degree students may audit Continuing Education or Graduate courses on a space available basis. Auditors are subject to full tuition and fees for the course and must be formally registered. There is no auditing option in cohort-based programs.

Add/Drop
You must contact the Continuing and Graduate Studies Office to add or drop a course. Students can add a course through the first week of classes by contacting any Continuing and Graduate Studies Office. Students who want to drop a course from their schedule must do so through any Continuing and Graduate Studies Office prior to the start of the term. A student is financially responsible for any courses that are not officially dropped before the first day of classes (see Refund Policy below).

Withdrawal
You must contact the Continuing and Graduate Studies Office to withdraw from a course. Please refer to the Key Dates section of this Schedule Guide for specific withdrawal deadlines. Students will receive a “W” for a grade. Non-attendance does not constitute a withdrawal.

Disability Services
Curry College is committed to providing accommodations for students with documented learning disorders, visual, hearing and mobility impairments, psychiatric disabilities and medical conditions. Academic accommodations are arranged on a case-by-case basis, and may include, but are not limited to: additional time to complete exams; a separate, more distraction-reduced exam room; note taker support; and textbooks in alternative format. For additional information, please contact Chip Kennedy, Director of Student Disabilities at (617) 333-2385.

Refund Policy
Full refunds will be made only if a course is cancelled; if a student withdraws from a course before the course begins; or, if it is confirmed by the end of the add-drop period that the student has not attended.

Students who withdraw within the first two weeks* of a course will receive a partial refund. The refund schedule is as follows:

- Students who withdraw within the first week of the course receive a 75% refund
- Students who withdraw within the second week of the course receive a 50% refund
- Students who withdraw during or after the third week of the course do not receive a refund

* A course week begins on Monday and ends on Sunday.

Intensive Courses
The following refund policies apply to in-class, hybrid, and fully online courses.

One-week Intensive Courses
If students drop before the second day of class, 75% refund.

Two- and Three-week Intensive Courses
If students drop before the third day of class, 75% refund.

After these deadlines, students are financially responsible for the full cost of the course.
**Required Immunization Certificate**

Massachusetts Law 105 CMR 220.600 requires Curry College to collect a certificate of immunization from all full-time students. This applies to any Continuing Education or Graduate student who is carrying a full-time course load.

For Continuing Education students Curry defines full time as 12 or more credits during a semester including intensive courses falling within a semester. As an example, if a CE student takes 6 credits in Term I and 6 credits in Term II, they would meet the definition of full time.

For Graduate students, Curry defines full time as 6 or more credits during a semester including intensive courses falling within a semester. An MBA student taking one 3 credit course in Term I and one 3 credit course in Term II would meet the definition of full time. An M.Ed, MACJ, or MSN student taking 6 or more credits during fall or spring semester would be considered full time.

If you know what your course load will be and you will meet the definition of a full-time student, please plan ahead and file your certificate of immunization prior to or with your registration. **All students who have not filed the certificate and who are found to be in full-time status will receive a notice from Curry College that they have 30 days to file the certificate or future registration will be blocked.**

Each full-time student must provide a certificate of immunization that the student has received the following:

1. At least one dose of mumps and rubella vaccine(s) given at or after 12 months of age
2. Two doses of live measles vaccine given at least one month apart beginning at or after 12 months of age
3. A booster dose of tetanus-diphtheria within the last ten years
4. Three doses of Hepatitis B vaccine

The certificate of immunization form and instructions can be obtained from any campus Continuing and Graduate Studies Office.

**Mandatory Health Insurance**

Effective September 1, 1989, the Massachusetts Law C.15A, s. 18 requires that every full-time and part-time student enrolled in an institution of higher learning in Massachusetts participate in a qualifying student health insurance program (QSHIP) or in a health benefit plan with comparable coverage. A part-time student is defined as a student participating in at least 75% of the full-time curriculum or at least 9 credits in a given semester.

As a result, full-time and part-time students taking 9 credits or more are automatically billed for individual membership in the health insurance plan sponsored by their colleges or universities. Students must purchase the school-sponsored health plan or show proof of comparable coverage in an alternate health plan in order to enroll in the college/university of their choice. Students must prove comparable coverage by completing a Student Health Insurance Waiver Form. This form is available online at www.universityhealthplans.com. Paper forms are available upon request in the Office of Student Financial Services. A notice regarding Student Health Insurance enrollment and waiver deadlines will be mailed to your permanent address if you register for at least 9 credits. You will have 14 days to complete a waiver if you can prove comparable coverage – late waivers will not be considered.

Contact the Office of Student Financial Services (SFS) for the current cost of the Curry-sponsored health plan.

**Bookstore**

New and used textbooks for all Curry campuses can be purchased online via the Curry College Bookstore at www.curry.bkstr.com. If you do not see a listing for your course online, or for students using Bookstore Vouchers, please contact the Curry Bookstore via email at bookstore@curry.edu or via phone at (617) 333-2322.

In addition, textbooks for all Curry campuses can be purchased in person. The Curry College Bookstore is located on the second floor of the Student Center at the Milton Campus.

The Bookstore also carries a full line of Curry College clothing and gift items, school supplies, health and beauty products, snacks and beverages. Please call (617) 333-2322 for current store hours or visit the website at www.curry.bkstr.com.

**I.D. Cards**

Students may obtain a Photo I.D. Card from the Public Safety Office on the Milton campus or the Continuing Education and Graduate Studies Office at the Plymouth campus. I.D. Cards are optional but are required to use the Library. Please contact the Continuing and Graduate Studies Office in Milton or Plymouth for more details.

**Classroom Locations**

Students can access their course schedule online for information on specific classroom locations and course faculty. Students can also obtain this information from any Continuing and Graduate Studies Office.

**Curry Student Web Portal & Student Email Accounts**

All Continuing Education and Graduate students are assigned an online account to access the “myCurry” Web Portal. The Web Portal houses important academic and student information as well as other useful services, including Curry student Email (a Gmail account), Blackboard, course schedules, course assessments, grade reports, academic transcripts, library resources, and other financial aid and personal information. New students are provided with their Web Portal personal log in information in the welcome packet mailed to their permanent address. If lost or forgotten, password information is available in person at the Tech Center, by Curry College Email or in person at the CE/Grad Studies office. Please note, for your protection passwords are not given out over the telephone nor emailed to any non-Curry email address.

**Campus Safety**

Curry College is committed to assisting all members of the College community in providing for their own safety and security. Information regarding campus security and personal safety including topics such as crime prevention, College law enforcement authority, crime reporting policies, crime statistics for the most recent three year period, and disciplinary procedures is available upon request from the Curry College Public Safety Office, 1071 Blue Hill Avenue, Milton, MA 02186 or by calling (617) 333-2232.

**Emergency Closing**

Please call the Campus Emergency Hotline at (617) 333-2075 for up to date information on whether classes have been cancelled. Messages will also be recorded on the main numbers for the Continuing and Graduate Studies Offices in Milton and Plymouth. The Emergency Hotline is generally updated by 7:00 a.m. Decisions on cancellation of evening classes are generally made by 3:00 p.m. Every effort is made to contact faculty and students directly when a decision is made to close the College, but if in doubt, call the Hotline before traveling to class.

**Family Educational Rights and Privacy Act**

In accordance with the Family Educational Rights and Privacy Act of 1974, Curry College permits its students to inspect their records wherever appropriate and to challenge specific parts of them when they feel it is necessary to do so. Specific details of the law as it applies to the College are contained in the Curry College Course Catalog.
SHRM Essentials
SHRM, the leading global HR professional organization, has developed the SHRM Essentials of HR Management course, which provides an introductory overview of the human resource function. Whether you are new to HR or HR is one of many roles you fulfill at your company, this program, offered in partnership with SHRM through Curry College, covers the key HR topics you need to know.

Plymouth Campus – 2 day workshop Wednesday, March 22 and Wednesday, March 29

PayTrain Fundamentals
The PayTrain Fundamentals course teaches the fundamental payroll calculations and applications providing students with the basic knowledge and skills required to maintain payroll compliance and prevent costly penalties. This course is ideal for new payroll professionals, those who support the payroll industry, and those who are preparing for FPC certification. PayTrain Fundamentals is a prerequisite for the PayTrain Mastery course. Payroll calculations are critical to successfully passing the FPC and CPP exams and are not covered in PayTrain Mastery.

Milton Campus
Cost: $895
Books and online resources included
9:00 a.m. – 2:00 p.m.

Paytrain Mastery
PayTrain Mastery is a continuation of PayTrain Fundamentals and provides you with a thorough understanding of advanced payroll topics necessary for payroll managers and supervisors. This course is ideal for experienced payroll professionals seeking compliance training, professional development, or CPP certification preparation. Topics include advanced study of payroll concepts, fringe benefits, payroll reporting and employment taxes, record keeping, payroll accounting, and administration. For individuals taking the CPP certification examination, we recommend taking PayTrain Fundamentals as well as PayTrain Mastery in any sequence.

Milton Campus

Books and online resources included
9:00 a.m. – 3:00 p.m.

Paralegal Certificate
Curry College offers a part-time, 12-week Paralegal Certificate Program where you will gain the expertise required to begin a paralegal career. Curry’s Paralegal Certificate Program is delivered in a hybrid learning format to allow you to attend classes on campus, two evenings a week from 6:30-9:30 p.m., every other week and two on-campus Saturday classes each month from 9:00 a.m. – 4:00 p.m. Learn the analytical, organizational, and technical competencies of paralegal work.

Milton Campus
Cost: $3495

Perioperative 101 Certificate
Perioperative 101 is a non-credit six-month certificate preparation program that prepares RNs to sit for certification through Association of periOperative Registered Nurses (AORN). The program is delivered in a hybrid format, combining in-class and online learning activities. The AORN has developed a full curriculum designed to meet the national standards established for this role. A certification in perioperative nursing gives professional nurses the necessary experience and knowledge to succeed in this practice area.

Milton Campus
Cost: $3820
Books and online resources included
5:00 p.m. – 9:00 p.m.

MTEL Math Preparation Workshop
This course is designed to meet the needs of students preparing for the General Curriculum mathematics subtest of MTEL. All sub-areas of the subtest will be covered. This includes number theory and operations, functions and algebra, geometry and measurement, and statistics and probability. Special attention will be given to word problems and open-response questions. Effective problem-solving techniques and test-taking strategies will be discussed. By the end of the workshop, students will have strengthened skills and gained new insights that will allow them to approach the test with confidence.

Milton Campus
Cost: $295
Visit our website for Fall dates

MTEL Foundations of Reading Preparation Workshop
This workshop reviews the fundamental components of reading in preparation for the MTEL Foundations of Reading and Reading Specialist tests. Students receive a study guide; go over the 10 fundamentals of reading instruction covered on the test, and try practice questions. A follow-up Q and A session is offered. Students should not consider this workshop a replacement for fundamental coursework on reading, but rather a review of those concepts as they are addressed on the MTEL test.
