Application Deadline
To receive priority consideration, submit all materials by August 1 to begin in September. Applications received after August 1 will be reviewed on a space available basis.

MBA Program Tuition
The MBA program has instituted an attractive fixed tuition cost to help students better manage their tuition payments. Our fixed tuition allows students to enter the program knowing the full cost of their MBA tuition and not be subject to an additional tuition increase as long as they remain enrolled in their original cohort group. The MBA program charges no additional course fees. For MBA students entering the Fall 2013 and Spring 2013 cohorts, the fixed tuition is $30,825 (approximately $857 per credit X 36 credits).

Tuition Billing Process
Approximately five weeks prior to the start of the fall, spring, and summer semesters, students will be mailed a tuition bill for their semester coursework. Tuition payments are due within 30 days of the billing date specified on the bill and must be paid in full prior to the start of each semester.

Curry College offers a Direct Billing option for students whose employer or other third party organization will be paying the College directly for their classes. Students who plan to use the direct billing option are required to provide appropriate documentation, such as a purchase order or voucher. For more information, please contact Continuing Education and Graduate Studies.

Tuition Payment
Tuition can be paid by check or credit card. VISA, Discover, MasterCard, and American Express are accepted. To pay their tuition, students may choose one of the following options:

- **Send a Personal Check/Money Order:** Make checks payable to: Curry College
- **Pay Online:** Curry College partners with Tuition Management Systems (TMS) to process credit/debit card and checking/savings account payments online. TMS accepts American Express, Discover, MasterCard and VISA cards. There is no cost to use this service.
- **Request a Payment Plan:** Graduate students enrolled in a cohort program can take advantage of a convenient payment plan available through TMS (Tuition Management System) at www.afford.com/curry. This tuition management payment option allows students to spread tuition payments over two or three semesters with only a $55 fee.
- **Call Us:** Our professional staff will take your credit card payment by phone. Call the Milton campus at 617-333-2364 or the Plymouth campus at 508-747-2424.

Federal Student Loans
Students wishing to apply for need-based financial assistance (Federal Direct Stafford Loans) should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. Curry College Federal School Code is 002143. FAFSA application can take up to two weeks to process.

Course Registration Information
Upon matriculation into the MBA program, students will receive their program course schedule for the entire program. Approximately four weeks prior to the start of each semester (fall, spring, summer), students will be automatically registered for their semester coursework based on their program course schedule. Questions about course registration should be directed to Curry College, Division of Continuing and Graduate Studies.
