*In semesters three and four, Milton and Plymouth cohorts will be combined based on their respective concentrations – Elementary Education or Moderate Disabilities – for one of their courses. For these concentration-specific courses, the location of the in-person sessions will alternate between campuses.

Unless noted, all classes are three credits each. Schedule is subject to change.
Application Deadline
To receive priority consideration, submit all materials by August 1 to begin in Fall 2015. Applications received after August 1 will be reviewed on a space available basis.

MED Program Tuition
The MED program has instituted an attractive fixed tuition cost to help students better manage their tuition payments. Our fixed tuition allows students to enter the program knowing the full cost of their MED tuition and not be subject to an additional tuition increase as long as they remain enrolled in their original cohort group. The MED program charges no additional course fees. For MED students entering the Fall 2015 and Spring 2016 cohorts, the tuition is $18,950 (approximately $557 per credit X 34 credits).

Tuition Billing Process
Approximately five weeks prior to the start of the fall, spring, and summer semesters, students will be mailed a tuition bill for their semester coursework. Tuition payments are due within 30 days of the billing date specified on the bill and must be paid in full prior to the start of each semester.

Curry College offers a Direct Billing option for students whose employer or other third party organization will be paying the College directly for their classes. Students who plan to use the direct billing option are required to provide appropriate documentation, such as a purchase order or voucher. For more information, please contact Continuing Education and Graduate Studies.

Tuition Payment
Tuition payments are due within 30 days of the billing date specified on your bill. Tuition can be paid by check or credit card. VISA, Discover, MasterCard, and American Express are accepted. To pay your tuition, chose one of the following options:

- **Send a Personal Check/Money Order:** Make checks payable to: Curry College
- **Pay Online:** Curry College partners with Tuition Management Systems (TMS) to process credit/debit card and checking/savings account payments online. TMS accepts American Express, Discover, MasterCard and VISA cards. To pay online, simply log onto the TMS secure website at www.afford.com/curry and select “Pay in Full”. There is no cost to use this service. Students can also access this online payment gateway directly from their student account invoice in the Curry Web Portal.
- **Request a Payment Plan:** Graduate students enrolled in a cohort program can take advantage of a convenient payment plan available through TMS (Tuition Management System) at www.afford.com/curry. This tuition management payment option allows students to spread tuition payments over two or three semesters with only a $45 fee. We also offer a single semester plan (Fall or Spring) for an enrollment fee of $35 in which the semester cost is paid to TMS in four installments.
