PLYMOUTH CAMPUS

The Curry College Plymouth campus is located at 20 North Park Avenue in the Town of Plymouth, MA, 02360, which is approximately 38 miles south of our Milton campus. The building is owned by PMC Realty Trust of 29 Samoset Street, Plymouth, Ma 02360 and is leased to Curry College. The Building also shares space with Citizens Bank, Bayada Nurses, and ReMax which have separate entrances and exits. The Curry College section of the building consists of three exits clearly marked and is secured by key access.

ACADEMIC PROGRAMS (MILTON)

Twenty undergraduate majors and more than 65 minors and concentrations, with pre-professional preparation; four graduate programs in business administration, criminal justice, education, nursing; variety of continuing education offerings.

DEGREES AND CERTIFICATES

Undergraduate: Bachelor of Arts (B.A.), Bachelor of Science (B.S.)

Graduate: Master of Arts in Criminal Justice (M.A.C.J.); Master of Business Administration (M.B.A.); Master of Education (M.Ed.); Master of Science in Nursing (M.S.N.).

Continuing education and graduate certificate programs.

ENROLLMENT

Approximately 2,100 full-time, traditional undergraduates from 32 states and 13 countries, 1,650 continuing education and 500 graduate students, with approximately 75% percent of undergraduates living on campus.

FACULTY

422 full- and part-time faculty members with a primary focus on teaching; approximately 72 percent hold a Ph.D. or the terminal degree in their field; student/faculty ratio of 11:1.
ACADEMIC PROGRAMS (PLYMOUTH)

The Plymouth campus offers six undergraduate bachelor’s degree programs, one undergraduate certificate, and three graduate degree programs as well as corporate education.

ENROLLMENT AND FACULTY

The campus has approximately 500 students, 35 faculty, three full-time and three part-time staff members. The Plymouth campus is non-residential. Some of the Plymouth campus students attend classes at our main Milton campus as well.

CURRY COLLEGE

SAFETY AND SECURITY INFORMATION

Curry College is committed to ensuring a safe and secure community where students, faculty, and staff may experience academic, professional, and personal success. To achieve this goal, the Department of Public Safety provides a comprehensive program of police, security, crime prevention, fire safety, emergency medical, parking, and related public safety services to help ensure the College community remains a safe and pleasant place to live, work, and learn. To further meet this objective, the Department of Public Safety works toward the establishment of a partnership with students, staff, and faculty in the development of crime prevention, security assessment, response and education. This partnership is the foundation of maintaining an environment which encourages mutual respect, caring, and safety for the campus community.

CRIME AWARENESS AND CAMPUS SECURITY ACT

In 1990, Congress passed the Student Right-to-Know and Campus Security Act. This law requires colleges and universities to report specific incidents of campus crime as well as policies and procedures for safety and security on campus. In 1998, the Act was amended to require the reporting of crimes committed on off-campus property owned by colleges and universities and public property adjacent to the campus.

This report is prepared in cooperation with many campus departments including Public Safety, the Dean of Students Office, Student Conduct, and Residence Life and Housing, as well as local law enforcement agencies surrounding our Milton and Plymouth campuses.

Each entity provides updated information on their educational efforts and programs to comply with the Act. Campus crime, arrest and referral statistics include those reported to Public Safety, designated campus officials in areas including but not limited to Student Conduct, Residence Life and Housing (professional staff and resident assistants), athletic coaches, and local law enforcement agencies.

Each year, an email notification is sent to all enrolled students, faculty, and staff that provides the website link to access this report. Copies of the report may also be obtained
at the Department of Public Safety located in the Mayflower Parking Lot or by calling (617) 333-2232. All prospective employees may obtain a copy from Human Resources in the King Academic Building or by calling (617) 333-2263. Prospective students may obtain a copy from the Office of Admissions or by calling (617) 333-2210.

REPORTING OF CRIMES AND EMERGENCIES

How to Report a Crime
To report a crime or emergency, contact the Department of Public Safety at 617-333-2222 or from any college telephone X2222. All calls are received at the Public Safety Dispatch Center, which is staffed twenty-four hours a day by Public Safety Officers. Emergency telephones, which are identified by an emergency sign, are located at the entrance to each residence hall as well as at numerous additional locations throughout the campus. An emergency button on each telephone, when pushed, will automatically ring in the Public Safety Dispatch Center. The Curry College community is also encouraged to call 911 or the Milton Police at 617-698-3800 to report a crime or emergency. In addition, you may initiate a report with your Community Director or any staff person in Residence Life.

At our Plymouth campus, all members of the community should call 911 to report a crime or emergency. This will connect the caller to the Plymouth Police and will initiate the dispatch of Police, Fire, or Ambulance as needed. Plymouth Police are the first responders for all crimes and emergencies at our Plymouth campus and the primary contact for investigations and crimes reported. Staff at the Plymouth campus and the Plymouth Police Department notify Curry College’s Department of Public Safety of any crimes reported or committed on the Plymouth campus, in order to share important information and statistical data.

The faculty, staff, and students of the Plymouth campus community are subscribed to Curry College’s Emergency Alert System for Emergency Notifications and Timely Warnings, and are made aware of our outgoing Emergency Alert telephone line (617-333-2075). A copy of the Curry College Emergency Management Guide is posted at various locations throughout the Plymouth campus.

The Department of Public Safety strongly encourages the reporting of all criminal activity in a timely fashion to facilitate an immediate response and to investigate and identify the perpetrators. Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings, or around residence halls should be reported to the Department of Public Safety.

Additionally, if assistance is required from the Milton Police or the Milton Fire Department, the Department of Public Safety will contact the appropriate unit.

Timely Warnings
In the event that a situation arises, on or off campus, that, in the judgment of the Chief of the Department of Public Safety and the Dean of Students, or their designees, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued to students, faculty and staff via the Blackboard Connect 5 messaging system which delivers messages through the college email and subscribed
phone and text numbers. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Department of Public Safety and Residence Life may also post a notice on the College’s intranet portal myCurry and/or the College’s website at www.curry.edu, providing the college community with additional information. Anyone with information warranting a timely warning should report the circumstances to the Curry College Department of Public Safety by telephone at 617-333-2222, in person at the Public Safety Office at the front gate of the Milton campus, or in the Mayflower parking lot of the Milton campus.

Confidential Reporting Procedures
The College recognizes that an individual who has been the victim of a crime may desire confidentiality and may request that the College not investigate or pursue resolution of a report. In such cases, the individual is asked to put his or her request in writing and the College will maintain confidentiality to the extent permitted by law and other safety considerations. However, the College may determine that it must investigate and pursue resolution of a report, and take whatever measures it deems necessary in response to a report of a crime in order to protect the rights, interests and personal safety of the College community.

As a result of the negotiated rulemaking process which followed the signing into law of the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors,” when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. Counselors are defined as:

Pastoral Counselor: An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

Professional Counselor: An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification.

Students, faculty and staff can also contact the anonymous tip line at 617-333-2159, which is monitored by the Chief of the Department of Public Safety.

ACCESS TO CAMPUS FACILITIES

Most campus facilities, other than student residence halls, are accessible to members of the campus community, their guests, and invited visitors during the day, at night, and on weekends, depending on scheduled events and the time of the year.
ACCESS TO RESIDENCE FACILITIES

The College’s policy is that all exterior doors to student residence halls are to remain locked 24 hours a day. An electronic computerized card access system or key will allow access through exterior doors. Cards are issued to resident students and are programmed to allow access into the residence halls. In addition, certain personnel, including designated staff members from Buildings and Grounds, Public Safety, and Student Affairs, may have access to the residence halls. Students are encouraged to report all missing and lost cards as soon as possible to the Department of Public Safety. All reported missing and lost cards are removed from the card access system and replacement cards are issued. All overnight guests of students must register with the Residence Life Department.

NON-RESIDENTIAL FACILITIES

Campus buildings and grounds are patrolled 24 hours a day by Public Safety Officers. All academic buildings are secured in the evenings after the last class and opened for special events or activities, and administrative buildings secured at the close of business. Meetings are held including Buildings and Grounds staff and Public Safety officers to review security issues on a weekly basis.

FIRE SAFETY

Maintenance and Security of Campus Facilities
The College is committed to campus safety and security. A Safety Committee reviews all employee injuries and reports of hazards, and makes recommendations to the College’s administration for corrective action. The Public Safety and Buildings & Grounds departments conduct a weekly check of campus lighting. Public Safety Officers are required to identify and report any possible safety hazards and lighting problems during their regular patrols and report their findings to the appropriate authorities.

Annual Fire Safety Report
All residence halls on campus are equipped with fire alarms that ring into the main Public Safety office as well as with the Milton Fire Department. All on-campus calls to 911 go directly to the Milton Police Department as well as the Public Safety office at the front gate. All Public Safety personnel are trained and participate in campus fire safety procedures which are conducted at least annually. On-call Buildings & Grounds personnel may be contacted to respond to any maintenance emergency. Contact can be made through the Public Safety Department.

Health and Safety Inspections
The Office of Residence Life and Housing will conduct monthly safety inspections throughout the year in the residence halls. The inspections are designed to find and eliminate safety violations, and include, but are not limited to, a visual examination of electrical cords, sprinkler heads, smoke detectors, fire extinguishers and other life safety systems. The rooms are examined for prohibited items, including, but not limited to, sources of open flames, such as candles; non-surge protected extension cords; halogen
lamps; certain prohibited portable electrical appliances, such as toaster ovens, or prohibited activity, such as, smoking in the room or tampering with life safety equipment.

**Procedures to Follow in the Event of a Fire**
In the event of a fire or when a fire alarm sounds, the College expects that all campus community members will evacuate the building immediately. Students and employees receive training to contact Public Safety and may also dial 911. Staff members inform evacuated students and/or staff of designated areas to stand, when circumstances warrant. Evacuated students and/or staff are to remain in these locations until someone from Public Safety or Residence Life and Housing permits them to re-enter.

Per federal law, Curry College is required to annually disclose statistical data on all fires that occur in on-campus student housing facilities. Listed below are the non-emergency numbers to call to report fires that have already been extinguished in on-campus student housing. These are fires for which it is unclear whether the Department of Public Safety may already be aware.

Curry College Department of Public Safety (617) 333-2222
Residence Life and Housing (617) 333-2252

When calling, helpful information includes the location, date, time and cause of the fire.

**Fire Safety and Education Programs**
Students living and employees involved in on-campus housing are required to attend mandatory meetings for their residence hall floor at the beginning of the semester. During these meetings, training is provided on fire safety, including the information on prohibited items and evacuation policies and procedures.

### LAW ENFORCEMENT AUTHORITY AND INTERAGENCY RELATIONSHIPS

Certain members of the Public Safety Department are Special State Police Officers (SSPOs) in accordance with the provisions of Chapter 22C, section 63 of the Massachusetts General Laws and have full law enforcement authority in and upon all property owned, occupied, or used by the College. All officers receive annual, in-service training in First Aid, CPR, and updates to relevant laws. Many officers also receive specialized training in conducting sexual assault investigations, crime prevention, RAD (Rape Aggression Defense) training, awareness and identification of hate crimes and domestic violence, as well as active shooter response. The Department of Public Safety maintains a close working relationship with the Milton Police Department, and also works with the Massachusetts State Police, Norfolk County District Attorney’s Office, and Federal law enforcement agencies. There is no written memorandum of understanding between the Public Safety Department and the Milton Police Department.
The Department of Public Safety places particular emphasis on security awareness and crime prevention. A primary vehicle for accomplishing this goal is the College’s comprehensive security awareness and crime prevention program. This program is based upon dual concepts of eliminating or minimizing criminal opportunities whenever possible and encouraging students and staff to be responsible for their own safety/security and the security of others. The following is a listing of the security awareness and crime prevention programs and projects offered by Curry College:

**New Student Orientation Security Awareness and Crime Prevention Presentation**
A crime prevention and security awareness presentation, accompanied by brochures and other printed material concerning security awareness, is given to new first-year and transfer students at the beginning of each academic year. Security is also discussed at the opening day panel presentation for parents and new students. Security awareness and crime prevention presentations are also provided throughout the year in select academic classes and for athletic teams and residential students and resident assistants.

**Escort Programs**
Public Safety will provide escort service for students from one end of the Milton campus to another. Students are encouraged to use the Curry College on-campus van during hours of operation, or can the Department of Public Safety at 617-333-2222 for an escort. The Department of Public Safety will make every effort to respond to the location in a timely manner; however, an escort response may be delayed in the event that the Department of Public Safety is responding to an emergency on campus.

**Community Desk Attendant**
Community Desk Attendants are on duty at 12 residence halls on Thursday, Friday, and Saturday from 7 p.m. until 3 a.m. in the following residence halls: 886 Brush Hill Rd., Bell Hall, North Campus Residence Hall, Scholars Hall, Mayflower Hall, State House, Lombard Hall, North Hall, Grey House, South Campus Residence Hall, Suites Hall, and Milton Hall. During these times, all students and visitors must show either a Curry College I.D. or valid photo I.D. to the Community Desk Attendant. Crime prevention and security awareness programs accompanied by literature and other printed material are offered in residence halls on a regular basis. Security presentations are given by Public Safety and Student Conduct staff, along with members of leadership from Residence Life and Housing and the Dean of Students Office, to Resident Assistants and Community Directors (RAs & CDs) each year in August, at a training workshop.

**Emergency Telephones**
A network of blue, labeled exterior phones is located in designated parking areas and near residence halls throughout the campus for on-campus calls and emergencies. All of these phones have a direct dial emergency button which quickly connects the caller to our Public Safety Office. The extension number identifying the campus location from which the call is being made is displayed to the dispatcher for easy identification. These phones are tested regularly for functionality.
Emergency Telephone Map

Emergency and Other Safety Related Communications

Curry College has developed comprehensive emergency communication protocols and systems to inform the campus community about emergency situations and other matters related to safety and security on campus.

There are three categories of emergency and other safety related notifications used at the College, which include Emergency Notifications and Timely Warnings as distinguished by the Clery Act and outlined below. The College may also choose to communicate with the campus community in certain situations when not required by the Clery Act. These are categorized below as Community Notifications.

An emergency event that is currently occurring on or imminently threatening the campus warrants an Emergency Notification. Emergency Notification procedures are initiated immediately upon confirmation that a significant emergency or dangerous situation exists involving an immediate threat to the health or safety of students or employees.

A Timely Warning is necessary when certain crimes, as defined in the Clery Act, have already occurred but represent an ongoing threat. A Timely Warning is issued as soon as the pertinent information is available.

A Community Notification may be issued in situations in which there is no immediate or ongoing threat, but the seriousness of the event might warrant informing the campus community. Such notifications may be considered safety and policy reminders or opportunities to offer outreach and provide resources. A community notification has a wide focus on any serious situation with the belief of the community need to know.
Curry College has installed a SIREN system on the Milton campus, which is intended to alert the community during a catastrophic event. The SIREN system may be activated, if appropriate, as part of an emergency notification. It is not utilized for Timely Warnings or Community Notifications.

The College uses Blackboard Connect 5 as the primary tool for its mass notifications. Connect 5 allows the College to distribute emergency and other safety related communications, such as weather alerts, via email, voice message, and/or text message as appropriate depending on the category of notification and the nature of the situation. The notification may include the type of emergency, location, and information regarding any necessary precautions that must be taken, if appropriate, including evacuations. Faculty, staff, and students are automatically enrolled into this notification system through their Curry email accounts and are provided with the option to enroll additional personal email accounts and/or multiple phone numbers at which they may receive emergency and other safety related communications.

The Dean of Students and the Director of the Public Safety Department are responsible for determining whether to send Emergency Notifications, Timely Warnings, and Community Notifications, and may consult with members of the Emergency Response Group as needed. They are authorized to initiate the use of the SIREN or Connect 5. Additional employees have security privileges to activate the Connect 5 mass notification system if necessary under the circumstances, including the Director of Communication and the Assistant Director of Communication and/or their designees.

The SIREN and Connect5 systems are tested at least annually. Community members are advised of these tests prior to testing through Curry email messages. Milton neighbors immediately adjacent to the campus receive a reverse 911 call in advance of the test. Public safety maintains documentation of each test in the Public Safety log, stating date and time, and whether the test was announced or unannounced.

**Crime Prevention Presentations**
The Department of Public Safety coordinates and presents security awareness and crime prevention programs in a variety of campus settings throughout the year, such as classrooms and residence halls. Individual presentations are provided to resident assistants, student club and organization leaders, and student-athletes throughout the year. Additionally, security awareness and crime prevention presentations are offered for academic departments and staff offices. The Department of Public Safety also makes available a number of different crime prevention resources, both in written and audiovisual format. It shares crime awareness and prevention ideas and educational resource materials with other departments on campus and with other area colleges. Using campus resources such as the College’s website, student newspaper, on-campus television and radio stations, and the campus mail system, the Department of Public Safety strives to keep crime awareness and prevention information on the minds of our community members.

Crime prevention information is located on the myCurry portal and safety tips are also included on the Public Safety website.
Printed Security Awareness and Crime Prevention Materials
Printed security awareness and crime prevention brochures, posters, and other written materials related to sexual assault, residence hall safety, off-campus safety, and library security are distributed at various locations throughout the college campus.

Facilities Survey
Comprehensive surveys of exterior lighting, emergency telephones, exterior doors and grounds are conducted by Public Safety and Buildings & Grounds on a monthly basis. All recommendations are documented and submitted to Buildings & Grounds for corrective action.

Community Policing/Outreach Officer
The Community Policing Officer attends off-campus workshops and maintains communication with other institutions to stay abreast of new ideas and programs in security awareness and crime prevention.

Monitoring Off Campus Student Organizations
Curry College does not officially recognize fraternities or sororities, or other student organizations, located outside the Curry College campus.

ALCOHOL, DRUGS AND HAZING

Alcohol and Other Drug Enforcement
The possession, sale, or furnishing of alcohol on the Curry campus is governed by Curry’s Alcohol Policy and Massachusetts law. The possession, use, or distribution of alcoholic beverages is restricted to those persons age 21 or older. The possession, use, sale and/or distribution of illegal drugs is prohibited on Curry’s campus. The College expects all members of the College community to comply with federal, state, and local laws regarding illegal drugs and the use of controlled substances. The enforcement of alcohol and drug laws on the Curry campus is the primary responsibility of the Department of Public Safety. Those who violate College policies or federal, state, or local law regarding alcohol or drug use are to understand that such violations may result in disciplinary action, including loss of residence hall living privileges, personal liability, fines, expulsion or termination of employment, and/or criminal sanctions (including imprisonment).

Curry College provides a variety of services to students with alcohol or drug-related concerns through the Substance Abuse and Prevention Education Department, Counseling Center, and Dean of Students Office. Any student who is experiencing an alcohol or drug related concern is encouraged to speak with a staff member, attend an individual alcohol or drug educational meeting, group class, or individual counseling session on-campus. In addition, students may be referred to clinical substance abuse treatment or a self-help group (AA, NA, Smart Recovery) in the local community or closer to their home location when necessary. The Coordinator of Substance Abuse and Prevention Education is also available to speak with friends or acquaintances who may be concerned about a Curry College student.
For additional information regarding the College’s policies on alcohol and other drugs, including information on the health risks associated with substance use, possible legal sanctions and available resources for treatment, students can view the Student Handbook at [www.curry.edu/handbook](http://www.curry.edu/handbook) and employees can go to the Employee tab on the myCurry Portal.

**Alcohol and Other Drug Education Programs**
The College believes that prevention initiatives directed to all students are a necessary component of its strategy to address possible alcohol and other drug abuse by its students. The College strives to inform members of the campus community regarding drug and alcohol issues through distribution to parents and students of its alcohol and other drug policies via a link to the Student Handbook, summer and fall Orientation programs for new students and their parents, through Resident Assistant and Peer Education programs, and campus-wide educational events. The College believes that an important component of addressing alcohol and drug violations is through appropriate educational outcome requirements as part of the Student Conduct process. For alcohol and drug violations, the College utilizes the services of campus resources for individual and group education as well as clinical substance abuse treatment providers in the community to provide appropriate services for our students.

**Hazing**
Pursuant to the laws of Massachusetts, Chapter 269, sec 17, the College expressly prohibits hazing, which is defined by the College’s Community Standards as an act(s) which endangers the mental or physical health or safety of a student, or which destroys or removes public or private property for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization. Consent of the participants is not a defense against a complaint of hazing. In addition, Massachusetts General Laws define hazing as conduct such as whipping, beating, branding, forced calisthenics, exposure to weather, forced consumption of food, liquor, beverage, drug or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of any student or other person, or which subjects such student or other person to extreme mental stress, including extended deprivation of sleep or extended isolation. The Department of Public Safety performs anti-hazing training annually for all athletic teams.

For more information and to review the complete College policies on Alcohol, Drugs, and Hazing, please see the Student Handbook [www.curry.edu/handbook](http://www.curry.edu/handbook).

**CRIMES OF VIOLENCE**
The College takes crimes of violence with the utmost seriousness. If any member of the community is a victim of a crime of violence and the matter is reported, the College will investigate the alleged crime according to our policies and procedures in the Student and Employee Handbooks. The College, upon written request, will disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin or such victim shall be treated as the alleged victim.
The College’s Public Safety Department offers programs to educate members of the campus community in crime prevention techniques as well as to promote the well-being and safety of the campus community. A member of the Public Safety Department is available to speak to students or other community members about personal safety and to conduct seminars on various aspects of safety on campus. Further information is available by contacting the Public Safety Department at (617) 333-2232. Reports of any criminal activity, suspicious activity, and other emergencies on campus can be made to the Department of Public Safety at (617) 333-2232. In case of emergency, callers can use the emergency line at (617) 333-2222.

**CAMPUS SEX CRIMES PREVENTION ACT**

The Federal Campus Sex Crimes Prevention Act requires colleges and universities to issue a statement advising the campus community where state law enforcement agency information concerning registered sex offenders may be obtained. The Act also requires registered sex offenders to provide to appropriate state officials notice of each institution of higher education at which the offender is employed, carries on a vocation, or is a student. The Curry College community may access information regarding sexual offenders by contacting the Milton Police Department, or by contacting the Executive Office of Public Safety and Security’s Department of the Sexual Offender Registry Board, [http://www.mass.gov/eopss/agencies/sorb/](http://www.mass.gov/eopss/agencies/sorb/).

**SEXUAL HARASSMENT AND SEXUAL MISCONDUCT PREVENTION, EDUCATION AND AWARENESS PROGRAMMING**

The College provides programs and opportunities to educate students about sexual violence and intimate partner violence prevention. This is done within the context of wellness-based education and intervention. Through collaboration with students, faculty, and staff, a comprehensive prevention program is offered focusing on the health and safety of Curry College students. Programs and opportunities include peer education programs; educational outreach during campus-wide events; bystander intervention training for student leaders, including all resident assistants and new students at fall orientation programming; and risk-reduction strategies designed to promote healthy decision-making; classroom-based presentations; educational meetings, courses, and workshops for students who may be sanctioned as part of the Student Conduct process.

**HARASSMENT, DISCRIMINATION, AND SEXUAL MISCONDUCT POLICY**

Curry College is committed to fostering a diverse and inclusive community that is conducive to each community member’s academic and personal pursuits. The College’s Harassment, Discrimination, and Sexual Misconduct Policy reflects our commitment to these goals. Actions in violation of this Policy violate the College’s Notice of Non-Discrimination, which can be found on the Curry College website at [http://www.curry.edu/resources-and-services/student-services/dean-of-students-office.html](http://www.curry.edu/resources-and-services/student-services/dean-of-students-office.html). Students are expected to read this Notice of Non-Discrimination as it contains important information related to this Policy.
Discrimination
Curry College is committed to providing equal opportunity in employment and education to all employees, students, and applicants. No employee, student or applicant shall be discriminated against or harassed on the basis of race, religion, color, sex, age, ethnic or national origin or ancestry, veteran status, physical or mental disability, pregnancy, sexual orientation, gender identity or expression, genetic information, veteran or military status, membership in Uniformed Services, or any category protected by applicable state and federal laws. Similarly, Curry College is committed to making its programs and campus accessible to its visitors and compliant with all applicable non-discrimination laws.

Bias-Related Harassment
Bias-Related Harassment, which includes but is not limited to, conduct whether verbal, written, electronic, physical or otherwise that is motivated by bias toward an individual or group based on actual or perceived race, color, religion, national origin, gender, gender identity, sexual orientation, disability, age, or other characterization protected by applicable law of the individual or group is prohibited by the College and by federal and state law.

Hate Crimes
The College defines hate crimes, in accordance with Massachusetts General Laws Chapter 22C, Section 32 as “any criminal act coupled with overt actions motivated by bigotry and bias including, but not limited to, a threatened, attempted or completed overt act motivated at least in part by racial, religious, ethnic, handicap, gender, gender identity or sexual orientation prejudice, or which otherwise deprives another person of his constitutional rights by threats, intimidation or coercion, or which seek to interfere with or disrupt a person’s exercise of constitutional rights through harassment or intimidation.”

Sex Discrimination
Sex discrimination is prohibited by Title IX and other federal and state laws and will not be tolerated by the College in any form. Prohibited sex discrimination includes sexual harassment, sexual violence and other forms of sexual misconduct.

Sexual Harassment
Curry College strictly forbids sexual harassment. Sexual Harassment is unwelcome conduct of a sexual nature, including unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Unwelcome sexual advances, requests for sexual favors, and other physical or verbal conduct of a sexual nature constitute sexual harassment for a Curry student when: (a) submission to such advances, requests or conduct is made either explicitly or implicitly a term or condition of the individual’s academic advancement, participation in College programs or activities, or is used as a basis for academic decisions affecting the individual; (b) rejection of such advances, requests or conduct affects a term or condition of the individual’s academic advancement, participation in College programs or activities, or is used as a basis for academic decisions affecting the individual; or (c) such conduct has the purpose or effect of unreasonably interfering with the individual’s academic performance, education, or participation in College programs or activities, or of creating an intimidating or hostile work or academic environment.
Examples of sexual harassment may include, but are not limited to:

- Repeated offensive sexual flirtations, advances or propositions which are offensive;
- Verbal abuse or innuendo of a sexual nature which is continued or repeated;
- Physical contact such as touching, hugging, patting or pinching which is uninvited and unwanted by the other person;
- Offensive verbal comments of a sexual nature about an individual’s body or sexual terms used to describe an individual;
- An open display of sexually suggestive objects or pictures if people find them offensive;
- Jokes or remarks of a sexual nature if people find them offensive;
- Unwanted prolonged and apparent staring or leering at a person;

Sexual Misconduct
Curry College strictly prohibits sexual violence and all other forms of sexual misconduct. Sexual Misconduct includes any sexual contact or activity that occurs without the effective consent of any individual involved. It is the obligation of every person to obtain effective consent from the other person prior to sexual contact. Effective Consent is discussed in the section below.

Examples of sexual misconduct include, but are not limited to:

- Touching another’s genitals/breasts without consent;
- Having sexual contact with someone who is incapacitated (e.g. from alcohol or drug usage) such that their decision making ability is compromised so that they are unable to consent;
- Continuing sexual activity after either party has made it clear, either verbally or by conduct, that they do not wish to continue physical contact;
- Obscene or indecent behavior, including exposure of one's sexual organs or the display of offensive sexual behavior;
- Deliberate observation of others for sexual purposes without their consent;
- Taking or posting of photographs/images of a sexual nature without consent;
- Possession or distribution of illegal pornography.

Effective Consent
Effective consent is informed, knowing and voluntary. The College defines effective consent as mutually understandable words or actions which indicate willingness to participate in mutually agreed-upon sexual activity. Effective Consent cannot be given by minors (in Massachusetts, those not yet sixteen (16) years of age). Effective Consent cannot be given by individuals who have a mental disability that results in their being unable to provide informed, knowing and voluntary consent. Effective Consent cannot be given by those who are unconscious, unaware or otherwise physically helpless. Consent obtained as a result of physical force, threats, intimidating behavior, duress or coercion is not Effective Consent. A person who knows or should reasonably have known that another person is incapacitated may not engage in sexual activity with that person, and there can be no Effective Consent in such situations. Effective Consent cannot be given by those who are incapacitated as a result of alcohol or other drug consumption (voluntary or involuntary). In addition, incapacitation may result from mental disability, sleep, or involuntary physical restraint, and there can be no Effective
Consent in such situations. The College defines incapacitation as a state where an individual cannot make rational, reasonable decisions because the individual lacks the capacity to giving knowing consent, and/or as a state where one cannot make a rational, reasonable decision because the individual lacks the ability to understand the who, what, when, where, why or how of their sexual interaction. Consent to one form of sexual activity does not imply consent to other forms. Consent may be given for specific sexual activities and not for others. Consent at one time, including prior intimate partner or physical relationships does not imply future consent. Silence does not constitute consent and may indicate that something is wrong and the potential for sexual misconduct exists. The use of alcohol or other drugs does not constitute a defense for the failure of a person who initiates sexual activity to obtain effective consent.

**Intimate Partner Violence**

Physical violence, coercion, threats, intimidation, isolation, stalking, or other forms of emotional, sexual or economic abuse is prohibited, including but not limited to those directed towards an intimate partner. Such violence can be a single act or a pattern of behavior. Intimate partner relationships are defined as short or long-term relationships (current or former) between persons intended to provide some emotional and/or romantic physical intimacy.

Domestic violence and dating violence may also constitute forms of intimate partner violence and are prohibited by the College. Dating violence includes violence by a person who has been in a social relationship of a romantic or intimate nature with the complaining party. The existence of such relationship is determined by its length, its type, and frequency of interaction of persons involved in the relationship. Domestic violence includes acts that may constitute violent misdemeanor and felony offenses committed by the victim’s current or former spouse, cohabitant, or a person with whom he or she shares a child (as well as a person similarly protected under applicable domestic or family violence laws).

**Immediate Actions to Take if You Experience Sexual Misconduct**

If you experience sexual violence or other forms of sexual misconduct, here are some very important steps to follow:

- Get to a safe place as quickly as possible
- Do not bathe, shower, or douche
- Do not change or clean your clothing
- **Get medical attention as quickly as possible:**
  - Contact Emergency Services: Dial “911” for police assistance or ambulance assistance
  - Contact Public Safety at (617) 333-2222
  - Contact the Counseling Center* ext. 2182; Smith House, 940 Brush Hill Road; **To page the Counselor on-Call after hours, call Public Safety at (617) 333-2222**
  - Contact Student Health Services* ext. 2182; Smith House, 940 Brush Hill Road
  - Contact Milton Hospital: (617) 696-4601; 199 Reedsdale Road, Milton, MA 02186
  - Contact a private physician
Additional Resources for Sexual Misconduct
Additional support following sexual violence or other forms of sexual misconduct can be found on-campus through:

- Student Health Services*: ext. 2182; Smith House, 940 Brush Hill Road
- The Counseling Center*: ext. 2182; Smith House, 940 Brush Hill Road
- Spiritual Life: ext. 3532, Student Center

Off-Campus Resources for Sexual Misconduct

- A New Day Emergency Hotline* (508) 588-8255 (available 24/7)
- Norfolk County Sexual Assault Hot Line (781) 326-1111
- National Sexual Assault Hotline* 1-800-656-HOPE (available 24/7; able to transfer the caller to a local rape crisis center)

Retaliation
The College prohibits retaliation and the recurrence of any harassment. Retaliation against any individual for making a complaint of conduct prohibited by this Policy, or for assisting in the investigation of such a complaint, is prohibited by Title IX and other federal and state laws and will not be tolerated by the College. Engaging in retaliatory acts (directly or through a third party) is a violation of this Policy and will result in disciplinary action.

Confidentiality
The College recognizes that a student who files a complaint (hereinafter “the Complainant”) alleging a violation of this Policy, or who is identified as someone who experienced a violation of this Policy, may desire confidentiality and/or may request that the College not investigate or pursue resolution of a report. In such cases the Complainant is asked to put his or her request in writing, and the College will balance this request with its responsibility and legal obligation to provide a safe and non-discriminatory environment for all members of the College community. The College will seek to respect the request of the Complainant, and where it cannot do so, it will consult with the Complainant and keep the Complainant informed about the chosen course of action. The College may determine that it must investigate and pursue resolution of a report. A student who initially requests confidentiality and who requests that the College not investigate or pursue resolution may later request that the College investigate and pursue resolution.

No names or other information that could reveal the identity of the individuals involved will be made public in the Public Safety log. Students may contact the anonymous tip line at ext. 2159 to report sexual misconduct.

Students should be aware that College administrators (with the exception of the Counseling Center and Health Services Staff) must fulfill reporting requirements as a matter of law. For example, in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the “Clery Act”), statistical information regarding the type of sexual misconduct incident and other types of criminal incidents, and the general locations of those incidents, must be provided to Public Safety for publication in the College’s annual safety and security report. All personally identifiable information shall be kept confidential, for the purposes of providing statistical information to Public Safety. The annual safety and security report helps to

20
provide the community with information concerning the extent and nature of campus crime and to facilitate greater community safety. In addition, College administrators must issue timely warnings for incidents reported to them that continue to pose a substantial threat of bodily harm or danger to members of the campus community.

Amnesty
The College encourages reporting of sexual misconduct and seeks to remove any barriers to reporting. The College recognizes that a student who has been drinking or using drugs at the time of an incident may be hesitant to make a report because of potential disciplinary consequences. Accordingly, a student who reports sexual misconduct, either as a Complainant or a third party witness, will not be subject to student conduct charges for being under the influence of alcohol or other drugs at the time of the alleged incident of sexual misconduct, so long as that student’s actions did not place the health or safety of another person at risk. The College may, however, initiate an educational discussion or pursue other educational remedies regarding alcohol or other drugs.

Where to Bring a Complaint under this Policy and Who to Contact with Questions
Students are encouraged to report any incident of discrimination or bias-related harassment, including sexual harassment, sexual misconduct, or sexual violence immediately by bringing it to the attention of the College’s Dean of Students Office (Dean of Students, Maryellen Kiley at ext. 2289), or Title IX Coordinator, Rachel King, at ext. 3516. Students may also contact Public Safety, located in the Mayflower Parking lot, ext. 2222.

Students have the right to pursue a criminal complaint with local police for acts of sexual misconduct. Public Safety can assist with contacting the local police to file a criminal complaint. Police and ambulance services can be reached in an emergency by dialing “911.” The Town of Milton Police Department (phone 617-698-3800) is located at 40 Highland Street, Milton, MA.

Any Curry student who has a question about this Policy, or about bringing a complaint for violations of unlawful conduct prohibited under this Policy should contact the Dean of Students, Maryellen Kiley at ext. 2289 or the Title IX Coordinator, Rachel King, at ext. 3516.

Any student who wants to report a violation of any other Student Conduct policies (including but not limited to the Hazing and Harassment Policies), should notify the College’s Dean of Students Maryellen Kiley at ext. 2289.

Residential or Academic Accommodations:
To request residential or academic accommodations to help you feel comfortable and safe on campus following an incident of sexual assault or other discrimination, harassment, or retaliation, you should contact:

- Maryellen Kiley, Dean of Students, ext. 2289
- Erik Muurisepp, Director of Residence Life & Housing, ext. 2252
- Public Safety, ext. 2232

Options for accommodations for students alleging sexual harassment or sexual misconduct or other discrimination, harassment, or retaliation may include, but are not limited to: requesting changes to residence hall rooms or building
Investigation and Grievance Procedures
The College will investigate allegations of violations of this Policy in a prompt, equitable, and impartial manner. Depending upon the facts and circumstances known to it, the College, in its discretion and judgment, may determine that the report of alleged violations of this Policy will be addressed, investigated, and/or resolved outside of the procedures described in this Policy, and it also may take interim action as it deems appropriate to address the safety and protection of the College community. If the determination is that the report will go through the student conduct process, both the student who makes a complaint alleging a violation of this Policy, or a person who is identified as someone who experienced a violation of this policy (hereinafter “the Complainant”) and the individual alleged to have violated this policy (hereinafter “the Respondent”) will be notified by the College and a student conduct meeting will be scheduled.

Student Conduct Meeting for Reported Violations of the Harassment, Discrimination, and Sexual Misconduct
Curry typically utilizes the student conduct meeting process to investigate alleged violations of the Harassment, Discrimination, and Sexual Misconduct Policy. Both the Complainant and the Respondent will be given the opportunity to inform the College, verbally and/or through a written statement, of any facts that he/she believes should be considered in the College’s investigation of the reported violation of the Harassment, Discrimination, and Sexual Misconduct. As part of its investigation, the College, through its Director of Student Conduct or another person designated by the Dean of Students (hereinafter, the conduct officer), will investigate the alleged violation. As part of the investigation process, the conduct officer may: offer the Complainant and the Respondent the opportunity to speak (separately) with the conduct officer; speak with other individuals, who in the conduct officer’s discretion may have information relevant to the report; and review written documents, materials, or property, as the conduct officer deems appropriate, to conduct a prompt, fair and impartial investigation. The Complainant and the Respondent are to provide names of witnesses to the alleged violation and identify any documents or items that are relevant to the investigation. The College may impose limits upon the number of witnesses and the amount of information that may be introduced where proffered information is cumulative, redundant, or immaterial.

The Complainant and the Respondent each are asked to attend (separately) the Student Conduct Meeting. Students are expected to be truthful, and to participate as requested. Both the Complainant and the Respondent are permitted to have a support person accompany him or her to a Student Conduct meeting. A student should select a support person whose schedule allows attendance at the scheduled date and time for the meetings as delays may not be permitted due to scheduled conflicts for the support person. The role of a support person is to accompany a student with the purpose of providing support during the student conduct meeting. A support person may not address or question the conduct officer, answer on behalf of the student, or otherwise actively participate in the student conduct process. If the College requests that a student attend a Student Conduct Meeting and the student does not do so for any reason whatsoever, the College will still move forward with the student conduct process.
If a student or a law enforcement agency requests the College to delay its student conduct process because the conduct at issue is also subject to a civil or criminal case, the College, in its sole discretion through its Dean of Students and/or her designee, will determine if it is in the best interest of the College and its community to delay or move forward with the student conduct process, address the matter, and/or implement appropriate interim and/or final actions and sanctions (including, but not limited to, No Contact Orders, full or partial removal from campus, residence facilities, and/or classes, removals or interim removals, or suspensions or interim suspensions), notwithstanding the civil or criminal case. The facts gathered during the College’s investigation of reported violations of the Harassment, Discrimination, and Sexual Misconduct Policy will be reviewed, and a decision will be made as to whether a violation occurred, based upon a preponderance of the evidence standard (i.e., is it more likely than not that the alleged violation of the Harassment, Discrimination, and Sexual Misconduct Policy occurred).

Notification of Determination
The College will inform both the Complainant and the Respondent in writing whether the College has concluded that a violation of the Harassment, Discrimination, and Sexual Misconduct Policy did, or did not occur. Both the Complainant and Respondent will typically be notified of the outcome of the conduct process within 60 days of the commencement of the investigation, although circumstances (including the constraints of the school calendar and scheduling conflicts) may result in a longer period. In certain situations where the complaint involves a report of a crime of violence or a forcible or non-forcible sex offence, the Complainant may be provided with information about the sanctions imposed against the Respondent. In all other cases, the Complainant shall be informed of sanctions imposed against the Respondent where the sanction directly relates to the Complainant (for example, sanctions that require the Respondent to have no contact with the Complainant, and/or removal from the same residence hall or class).

Disciplinary Action and Sanctions
When an individual is found to have violated the Harassment, Discrimination, and Sexual Misconduct Policy, appropriate disciplinary action and sanctions will be imposed by the College, including but not limited to, probation, loss of privileges, mandatory training or counseling, mandated assessment, removal from classes, buildings, activities, programs, and/or campus locations, suspension, and/or expulsion from the College. Additional information on sanctions that may be imposed following the determination of a violation of the Policy are referenced in the sanctioning section of the Student Conduct Process in this handbook beginning on page 76. The imposition of sanctions may result in the withholding of a Curry College diploma.

EMERGENCY PREPAREDNESS AND MANAGEMENT
Curry College is committed to the best practices in providing a safe and secure learning and living environment on our campus. Like many colleges throughout the nation, Curry College has developed emergency preparedness plans to provide for the safety of our community in the event of an emergency.

Curry College has a designated Emergency Response Group. In a crisis scenario, appropriate members of the Emergency Response Group will mobilize to gather information on the situation at hand, assess the emergency, and communicate appropriate messages to appropriate audiences. This group will include the Chief of Public Safety,
the Dean of Students and/or their designees, and, depending on the circumstances, including, but not limited to, the Associate Dean of Students, the Assistant Dean of Students for Residence Life and Housing, the Director of Buildings and Grounds, and the Director of Communication. This group will review all available information to confirm that a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees is occurring on campus. If the Emergency Response Group verifies that a legitimate emergency or dangerous situation exists, the group will identify the appropriate segment or segments of the campus community to receive a notification. The institution will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim, or to contain, respond to or otherwise mitigate the emergency.

For additional information regarding emergency communication, see the section entitled Emergency and Other Safety Related Communications on page 12.

Additionally, the College’s Emergency Committee meets regularly to review and update emergency preparedness. In the event of an emergency, a crisis command center has been designated, and resources assembled to facilitate timely and efficient response. Protocols including those recommended by FEMA Incident Command system have been integrated into our planning.

At Curry College, we believe Public Safety is everyone’s business. The Department of Public Safety regularly performs safety seminars on campus and we practice and encourage community involvement in all aspects of safety on campus.

The mission of the Department of Public Safety is to provide a safe and secure living and learning environment for our entire community. The department operates 24 hours a day, 7 days a week, and 365 days a year and consists of 17 full-time officers and three part-time officers who have received Academy training. The Chief of Public Safety and four department supervisors have also received National Incident Management System (NIMS) training offered by the Department of Homeland Security and the entire department has been trained in basic incident command.

Additionally, the department has a close relationship with the Milton and State Police Departments, who would be contacted immediately to assist in the event of an emergency. Curry College is an active member of the Local Emergency Planning Committee (LEPC). This is a town wide group of such organizations as Milton Police & Fire, Milton Board of Health, Milton Hospital, Civil Defense, Milton Public Schools, and Milton Academy. These groups may assist each other in any and all emergencies that could occur in the town of Milton.

Curry College has been and will continue to evaluate our existing plans through additional training and our involvement in the (LEPC) to ensure that our approach to emergency preparedness and emergency response is comprehensive. Though no institution is invulnerable to safety threats, our emergency preparedness plans strive to make us prepared and responsive. While we hope that they will never need real-life implementation, we will continue to assess and improve our plans, informed by national best practices in order to keep the safety and well-being of our community a top priority.
MISSING STUDENT

Missing Student
Every Curry student has the option to identify an individual to be contacted by the College in the event that the student is determined by Public Safety or local law enforcement to be missing for 24 hours. Students should identify this individual by contacting Public Safety at 617-333-2222. Students also have the option to register confidential contact information in the event that the student is determined by Public Safety or local law enforcement to be missing for 24 hours. This confidential contact information may be registered with Public Safety by contacting their main office at 617-333-2222. The confidential contact information will be accessible only to authorized campus officials and will not be disclosed by Curry, except to law enforcement personnel in furtherance of a missing person investigation. Students under 18 years of age who are not emancipated are advised that Curry is required by law to notify a custodial parent or guardian within 24 hours of a determination that the student is missing, in addition to notifying any additional contact person designated by the student.

If a member of the Curry College community has reason to believe that a student is missing, or otherwise receives a report of a missing Curry student, he or she must immediately notify Public Safety at 617-333-2222. Curry College Public Safety will generate a missing person report and initiate an investigation. After receiving the report, should Public Safety determine that the student is missing, Curry College will notify the Milton Police Department (unless the Milton Police Department was the entity that notified Curry the student was missing) and the student’s registered contact, if any, no later than 24 hours after the student is determined to be missing.

If a member of the Curry College Community has reason to believe that a student is missing, whether or not the student resides on campus, Curry will initiate efforts to locate the student to determine his or her state of health and well-being through the collaboration of the Department of Public Safety and the Office of Student Affairs. If the student is an on-campus resident, the Department of Public Safety will collaborate with the Office of Student Affairs to make a welfare check into the student’s room. If the student is a commuter or a continuing education or graduate student, the Department of Public Safety will enlist the aid of the police agency having jurisdiction over the matter. Concurrently, College officials will endeavor to determine the student’s whereabouts through contact with friends, associates, and/or employers of the student. College officials will endeavor to determine whether or not the student has been attending classes, scheduled organizational or academic meetings, or appearing for scheduled work shifts. If the student is not located within 24 hours of receiving the initial report, the College may notify the student’s family, in addition to any additional emergency contacts the student has registered, to determine if they know of the whereabouts of the student.

If the student is an off-campus resident, appropriate family members or associates are encouraged to make an official missing person report to the law enforcement agency
with jurisdiction over the matter. The Department of Public Safety will cooperate, aid, and assist the primary investigative agency in all ways prescribed by law. The Curry College Department of Public Safety has established partnerships with the Milton Police, State Police and the Norfolk County District Attorney’s Office.

**CRIME STATISTICS**

These crimes statistics listed in the table below reflect reported crimes, as required under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"). Statistics are accurate as of the date of publication.
