

Release of Curry College
For Unrestricted Rights to and Use of Video and Still Images

Curry College plans to make video and audio recordings and take photographs of the event identified below. The main aim of this project is to make the event and its content more widely available to the Curry community. The recordings, or edited versions of them, may be made available to the Curry community, to students at other educational institutions, and to the broader public, via the Internet, television, DVD, or other means. It is also possible that the recordings may be used to make other derivative works in the future. You may elect not to take part in this recording project and still participate in the event. If you have any questions about this Authorization, or would like to discuss it before signing, please contact the event coordinator listed below.

The individual signing this document below hereby agrees to the following:

If one is able to be made available, I understand that I have the option of sitting in the “no film” section of the event location, where I may participate in the event but will not be filmed. If a “no film” section cannot be made available and I do not wish to be filmed, I will decline to attend and participate in the event.

If I choose to sit or move outside the “no film” section of the event location, I authorize Curry or its designees to make audio and video recordings of my presence and participation in the event (collectively, the “Recordings”). I understand and agree that the Recordings may include my image, voice and name. I also understand and agree that, even if I sit in the “no film” section, my voice and spoken name may be picked up by microphones outside that section and may be included in the Recordings.

I understand and agree that Curry will have the irrevocable, worldwide right to make, edit, modify, copy, publish, transmit, distribute, sell, publicly display, publicly perform and otherwise use and make available the Recordings and any other works that may be derived from the Recordings, in any manner or medium now known or later invented, and to authorize others to do so as well. I agree that Curry will own the Recordings and I hereby transfer to Curry any rights, including copyrights, I may have in the Recordings. I hereby waive any right that I may otherwise have to inspect or approve the finished Recordings to which this Release will apply. I will remain free to use and disseminate any ideas, remarks or other material that I may contribute to the event. I acknowledge and agree that I will not be entitled to any payment, now or in the future, in connection with the Recordings or any works derived from them. This Authorization is a binding agreement, and is signed as a document under seal governed by the laws of the Commonwealth of Massachusetts.

I hereby warrant that I am at least eighteen (18) years of age and have the right to enter a biding contact in my own name, and do so freely and voluntarily. I have read this Release and authorization prior to signing below, and acknowledge that it shall be binding upon me, my heirs, successors and legal representatives.
