A Special Invitation
Join the Family | Dare to Dream with Us

Dear Curry Family,

Welcome to Curry College! We invite you to join *The Curry Family Council Leadership Committee*—an organization for families who want to be more deeply involved in their student’s Curry experience.

The Curry Family Council Leadership Committee gives families the opportunity to attend in-person and virtual events with leadership, faculty, alumni, fellow parents, and community representatives throughout the academic year. Committee members will also have exclusive access to in-person events such as a Curry Family Council Leadership Committee reception during Homecoming and Family Weekend, a Celebration of the Arts reception in the spring, a special Commencement function in May, and regional events throughout the year.

We invite you to become a member of *The Curry Family Council Leadership Committee* by making a gift of \$1,000 or more to *The Curry Fund*. Gifts made to *The Curry Fund* directly impact priorities such as the Program for Advancement of Learning (PAL), enhancing athletic facilities, funding student internships, and providing extracurricular programs that are critical for our students.

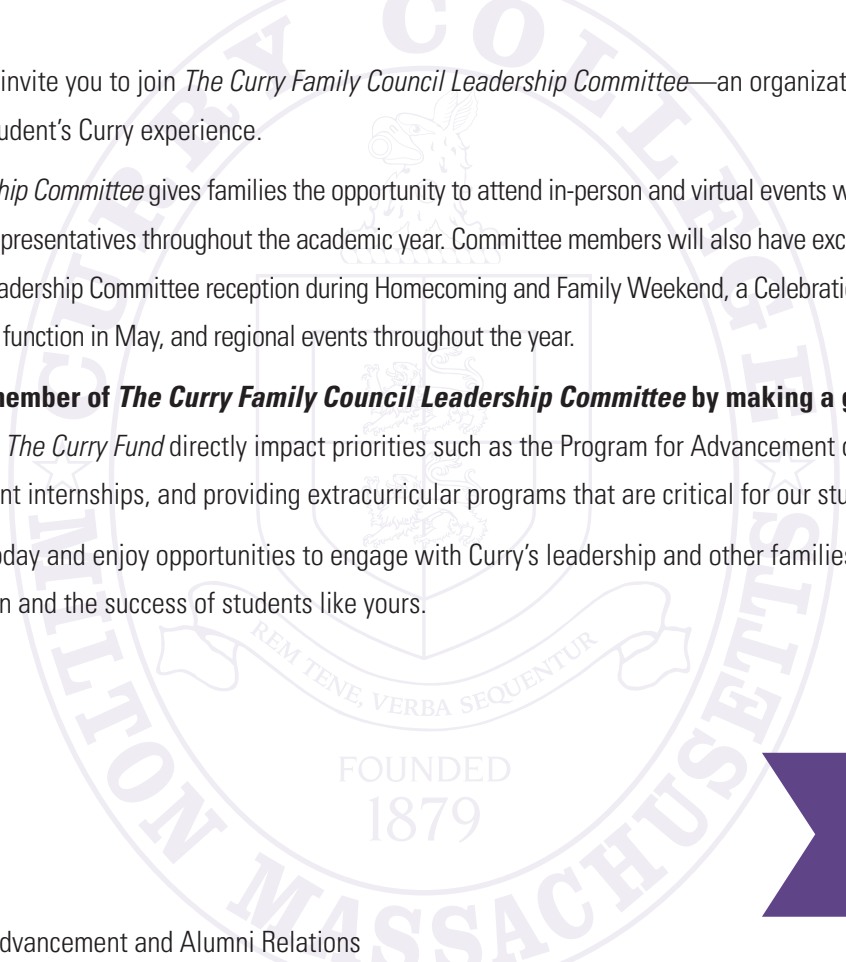

Please consider making a gift today and enjoy opportunities to engage with Curry’s leadership and other families who, like you, are passionate about Curry’s mission and the success of students like yours.

Thank you

Warmly,

Sally Murray
Vice President of Institutional Advancement and Alumni Relations

*Dare to dream, but
be not an idle dreamer.*
