CURRY COLLEGE

Office of Student Financial Services

Good Financial Standing

All tuition and fees are payable on the date specified prior to the beginning of each semester. Any student who fails to settle all outstanding balances is at risk of losing his/her semester's course schedule and, if applicable, housing assignment. Additionally, the student may not check in at the start of the semester; depart for study abroad/exchange programs; register for or attend classes; participate in student activities, including athletics; utilize campus facilities, such as the Fitness Center; receive grade reports; or receive a degree. The student is responsible for any collection costs incurred by the College in collecting past due balances. Students must be in good financial standing to participate in any Curry College programs or activities, including, but not limited to Study Abroad, athletics, resident assistant programs, student government, and clubs. To be in good financial standing, a student must have settled his/her student accounts for all balances currently due. A student's account is considered settled when it is either paid or covered by one or a combination of the following:

- Pending financial aid, including alternative loans, with no outstanding paperwork or other issues. Funds must be approved by the lender to be disbursed directly to the College at a specific future date.
- A current and up-to-date payment plan established through Curry's third-party servicer, which allows payments to be spread over the course of the academic year.

Student Account

Your student account shows a cumulative balance that includes all the charges and credits applied during your enrollment at Curry College. Some examples include, but are not limited to: tuition and fees, housing and meals, financial aid credits and adjustments, and payments made to your account. This account becomes a part of your permanent information file and remains after you graduate or cease to be enrolled.

Student Health Insurance

Massachusetts Law requires that every full-time and part-time student enrolled in an institution of higher learning in Massachusetts participate in a Student Health Insurance Program (SHIP) or in a health benefit plan with comparable coverage. A part-time student is defined as a student participating in at least 75 percent of the full-time curriculum.

As a result, full-time and part-time enrolled undergraduate students are automatically billed for individual membership in the Curry College sponsored student health insurance plan. Graduate students, with the exception of the AE-MSN program, are not eligible for the Student Health Insurance Plan as these programs are made up of short-term courses that meet once a week for 15 weeks or less per semester. The plan is serviced by University Health Plans. The plan brochure is available online at universityhealthplans.com/Curry.

Students must pay for the plan unless they show proof of comparable U.S.-based coverage in a Student Health Insurance Program. Students may provide such proof of coverage annually by completing a Student Health Insurance Waiver Form online at universityhealthplans.com/Curry by the published deadline. A student health insurance waiver form must be completed each academic year. Waivers received after the published deadline will not be accepted.

Students who would like to enroll in the Student Health Insurance Plan may complete the enrollment form located at universityhealthplans.com/Curry. Although students are automatically charged for the Student Health Insurance Plan, students will not be automatically enrolled in the plan by the College until after the deadline date. Students should complete the enrollment form as soon as possible to avoid difficulties in accessing their health insurance benefits.

Instructions for Waiving the Student Health Insurance Payment

1. Visit <http://www.universityhealthplans.com/curry>
 2. Click on "Waiver Form" from the navigation menu on the left-hand side of the page.
 3. Review the Important Reminders page. Complete Health Insurance Comparison Worksheet to ensure your plan is comparable to the Curry College student health insurance plan.
 4. Once you have confirmed your plan provides comprehensive coverage, select the "Waiver Form" box and enter your first and last name, Curry student ID# and date of birth to access the form. Once you log into the form, enter your demographic and insurance information, review and select "Apply for Waiver"
- Note:** Fill in all the required information. Required fields are noted with an asterisk (*). If any information is missing your waiver will not be accepted.

5. Once you submit the waiver form you will receive an immediate message that your transaction was successfully submitted. In addition, you will receive an email confirmation of the submission at the email address you entered on your waiver form. Print/save the confirmation for your records. **Should you not receive an immediate response, please contact University Health Plans at 833-251-1731** as this would mean you did not successfully waive the Curry College student health insurance plan and you will default into the plan if not completed successfully.

As a reminder, waiver forms will be reviewed by the plan broker and administrator, University Health Plans. Travel insurance plans, international health insurance plans and short term limited duration plans do not meet the waiver requirements and will not be accepted.

6. Curry College will be notified electronically of all approved Waiver Forms.

If you have questions about the Curry College student health insurance plan or the waiver form, please contact University Health Plans at 833-251-1731 or mail to: info@univhealthplans.com

Pending Financial Aid Payments

Students must complete and return all additional documentation, verification, corrections, and/or new information requested by Curry's Office of Student Financial Services or the outside agency to which an application was submitted. Financial aid awards will not be credited to a student account if any paperwork is missing. If paperwork remains outstanding, the financial aid may be forfeited and the student is responsible for immediately paying any amounts that would have been covered by the financial aid.

FERPA

The Family Education Rights and Privacy Act (FERPA) is a Federal Law that protects the privacy of students' education, financial, and academic records. For the student's protection, FERPA limits the release of student record information without the student's consent. If a student would like to allow the Office of Student Financial Services to share financial information (such as billing and financial aid application/award records) with a person other than himself/herself, including a parent, the student must provide consent through the Family Portal.

Family Portal

The Family Portal allows deposited or enrolled students to provide family members access to campus-wide resources (i.e. tutoring, writing center, Curry van schedule, etc.) and specific personal information.

The student decides which family members, if any, get access to and what each individual can view (i.e. schedules, grades, financial aid, billing statements).

The student can request an account for family members by:

- Logging into myCurry Portal;
- Clicking on the "myInfo" tab;
- Clicking on the "myFamily" access link.

A student can elect to give a family member access to his/her financial matters (online or via a representative of the Office of Student Financial Services) by changing the individual's access from "no" to "yes." Note: Students can change access rights at any time by returning to the myFamily access link.

Billing Information for Graduate and Continuing Education Students

Electronic bills are available via the myCurry portal. Students must complete an e-consent form (which can be found on the myCurry portal, under the Finances tab) to receive electronic notifications of bills. Students are strongly encouraged to give bill payers access to their electronic bills by granting them permission to view their financial matters on the myCurry portal for families. (See instructions under the Family Portal section of this brochure.) If you elect to, you may also have a monthly billing statement be sent to the permanent

home address on file. It is the student's responsibility to notify Curry's Registrar's Office promptly of any change in address. Each bill is due in full within 30 days of the billing date or prior the start of the semester that the statement is for. Any charges assessed after the start of the semester are due upon receipt.

Students can view their current bill online by logging onto their myCurry account through the portal at:

- myCurry Portal
- clicking on the Finances tab
- clicking on the Account Invoice

New transactions may take up to 24 business hours to appear online.

Settling Your Student Account

There are several options available to finance a Curry College education. You may use any one or a combination of the options below to help you settle your tuition account.

1. **One Time Payment** Make a one-time payment online at <https://curry.myflywire.com/>. Curry College has partnered with Flywire to process checking and savings transactions and credit/debit card payments online. Log onto Flywire's secure website at any time to make an online payment. Students can also access Flywire's Payment Gateway directly from their online bills through their myCurry accounts. Please note that if you use a credit or debit card there is a service charge. There is no fee to use a checking/ savings account to make a payment.

Personal Check, Money Order, Traveler's Check You can make a direct payment to Curry College. Please make checks payable to Curry College and mail to:

Curry College
Attn: Student Accounts
1071 Blue Hill Avenue
Milton, MA 02186

Be sure to include the student's name and Curry College identification number on the front of each check. Please note that if your check is returned due to insufficient funds you will be assessed a \$30.00 returned check fee by the College in addition to any other charges you may incur from your financial institution.

2. **Students enrolled in Graduate and Continuing Education are eligible for a payment plan.** With the Flywire payment plan, students can elect to break up the cost of the entire year into manageable installments, rather than making lump-sum payments each semester.

Four month payment plans are available for fall, spring, and summer semesters. There is a \$40 enrollment fee for each plan. Four -pay plans begin on August 15 and end on November 15th for the Fall. The Spring semester four-pay plan begins March 15 and end April 15. The Summer semester four-pay plan begins on April 15 and ends on July 15.

For information about how to enroll in either plan, please log into your <https://curry.myflywire.com/>.

Important Note: Automatic monthly payments are required for the tuition payment plan. These payments can be made directly from you checking or savings account with no additional fee assessed. Credit or Debit card payments are acceptable, however, the cardholder will be assessed a service charge.

3. **Private Education Loan Programs** The Office of Student Financial Services will work with students and their families to assist them in determining the best loan options for their needs. For more detailed information, please review the Curry College Resources for Alternative Financing brochure, available online at curry.edu/financingoptions.

Many families supplement their college financing plans with private educational loans. Private loans are available from a variety of sources and provide additional funding when other types of aid do not cover costs. These loans are not guaranteed by the federal government but by private financial institutions. Interest rates on these loans are typically higher than Federal Direct Loans but lower than personal loans. Generally, student borrowers will need a credit-worthy, income-earning co-signer to borrow from these loan programs.

Federal Loans

If you have been awarded a Federal Direct Stafford Loan or you or your parent applied for a Federal Direct PLUS Loan, the semester loan amount will appear on your bill as a “pending item” and will be deducted from the amount due until it is disbursed after the add/drop period of the semester.

If you have been awarded a Federal Direct Loan but the loan amount does not appear on your bill as a credit or pending item, it may indicate that certain requirements for the loan have not been completed; students should check their award status in their myCurry account, under the Finances tab.

Outside Scholarships

You may use outside scholarships that will be paid directly to the College to settle your student account, if you provide the Office of Student Financial Services with a copy of the award letter from the agency. Outside scholarships are divided equally between the fall and spring semesters unless the scholarship letter states otherwise. Please note it is the student’s responsibility to complete all requirements made by the scholarship agency. This includes but is not limited to transcript requests, proof of enrollment, and invoices.

Deferred payment option is available to continuing education students who are pursuing a degree program and can demonstrate that they have a tuition reimbursement benefit through their employer or the government. Students who qualify may pay their tuition at the end of each course, rather than upon registration. Students in this category are responsible for payment, and tuition may not be left unpaid pending reimbursement by an employer or other agency. This form is available for download on the

myCurry portal under the Finances tab - Account Invoice. Students will not be cleared to register for a future semester if any balance remains unpaid at the end of the course.

Fees Explained

Parking Fee

There is a parking fee for resident students and students who live off campus who use the College parking facilities. The College reserves the right to revoke the parking privileges of any student who does not comply with the parking and traffic regulations. These regulations are included in the Curry College Motor Vehicle Code, available from the Public Safety Office.

Laboratory and Workshop Fees

There may be fees associated with some Curry College courses; please see the semester Course Selection Guide for details. The fees cover costs of materials and equipment upkeep.

Graduation Fee

At the time of graduation, all Continuing Education and Graduate students will be assessed a one-time fee of \$50. This fee is intended to defray some of the expenses associated with the printing and mailing of diplomas.

Tuition Insurance

Each year thousands of college students are unable to complete classes for a given semester due to unforeseen medical issues such as illness, accidents, or mental health-related issues. Unfortunately, in many cases these families are unable to recoup all of their tuition dollars. At Curry College, depending on the timing of a student’s withdrawal, he/she might not be eligible to receive a refund of all tuition and fees. We understand that these types of situations can be a financial hardship for many families. Therefore, we are pleased to make available the Tuition Refund Insurance plan.

Tuition Refund Insurance can help refund tuition, fees, and room/board charges, up to the policy limits, if a student is unable to complete the semester due to a covered medical reason, such as an illness, accident, or mental health issue. This insurance program complements and enhances our school’s refund policy, and we believe families will benefit from this.

To Notify Us About Errors on Your Student Account

If you believe your bill contains an error or you wish to dispute any item contained on it, describe the nature of your dispute in writing and mail it to:

Curry College
Attn: Student Accounts
1071 Blue Hill Avenue
Milton, MA 02186

or email studentaccounts@curry.edu. Contact us in writing as soon as possible to preserve your rights. We must hear from you in writing no later than 30 days from the time that we sent you the first bill on which the error or problem occurred. Please provide the following information in your letter:

- 1) your name and student ID number,
- 2) the dollar amount of the suspected error,

3) a description of the error in as much detail as possible, explaining why you believe there is an error.

After we receive your written notice, we will acknowledge your letter within seven days. Within 14 days from the receipt of your letter, we will either correct the error or explain our findings to you.

Credit Balances and Refunds

If your cash payments and financial aid, including any disbursements of Federal Title IV funds such as Federal Pell Grants or Federal Direct Loans, create a credit balance on your student account, we will retain these credits on your student account to be used against the charges of future terms of enrollment within the same academic year, only if you complete a Credit Balance Authorization Form (CBA Form). Otherwise, a refund, payable to the student, will be either electronically transferred to your bank account* or a check will be mailed to your permanent address according to the timeframe established by the federal government. Note: checks are not available for pick-up and can take up to 14 days after your refund is processed to arrive. All student refunds will be made payable to the student except in cases where the credit is based solely on a federal loan to the parent and the parent has not consented to the student receiving the refund. Please be aware that institutional based financial aid funds will not post to your student account until approximately one week after that semester's Add/Drop deadline. Refer to the Academic Calendar for Add/Drop dates.

You may request a student refund for any portion of any credit balance on your student account even if you have filed a CBA Form. Refunds will only be issued for actual credit balances and will not be issued based on "pending" payments. A student refund normally requires approximately two weeks to process. Students may request the refund online through their myCurry account on the portal:

- Once logged in go to the Finances tab
- Click on refund request

*All students are urged to **register with Nelnet**, the College's electronic refund partner to provide you with faster access to your money. There is NO FEE for this service. To register for E-refunds:

- Log into your **myCurry** account.
- Click on **Account Invoice**, under the **Finances** tab.
- Click on the **Nelnet** link – located at the bottom of the invoice.
- You will be brought to the Nelnet website to create an account. Your account will be prepopulated with information from your Curry student account. Click **NEXT**.
- Each time you log in going forward, this will be your Nelnet account home screen.
- Click on **Manage Refunds** to update banking information.
- Confirm your information is correct, including student ID number. Click **Next**.
- Select "Bank Account/Direct Deposit".

Note: If you do not select a refund method, a check will be sent to your

permanent address (on file with the College) via first-class mail. It will take approximately 14 days to arrive from the date your refund request is processed. It is crucial that you keep your permanent address current with Curry College.

- Enter your banking information. Click **Save** after entering the information!

Bookstore Vouchers

You may request a Bookstore Voucher up to the amount of your expected credit balance, including pending financial aid payments. However, pending monthly payment plan payments will not be considered for this purpose. The vouchers may be used to purchase textbooks in the Campus Bookstore. All vouchers expire 30 days from the date of issue. Unused voucher amounts will be returned to the student account within 31 days of their expiration date. Students must have a Credit Balance Authorization Form (CBA) on file to be eligible for a voucher. You may request a bookstore voucher online through your myCurry account under the Finances tab.

Frequently Asked Questions

How do I make a payment on my balance as a Graduate or Continuing Education Student?

- Online One-time payment:** at curry.myflywire.com
- Personal Check, Money Order, Traveler's Check** can be mailed to:
Curry College
Attn: Student Accounts
1071 Blue Hill Ave
Milton, MA 02186
