## ACADEMIC ADVISING

### Advising

Our experienced academic advisors are an important resource to help you explore enrollment at Curry College. Advisors will share program details and requirements, course selection and scheduling, admissions and financial aid. They will assist you with creating an educational plan to guide you in meeting your academic and career goals.

To accommodate your busy schedule, advisors are available by appointment, by telephone or online. Contact the campus of your choice to speak with an advisor or to schedule an appointment:

Milton: 617-333-2364 | Plymouth: 508-747-2424 | email: ccce@curry.edu

### Transfer Credit Review Service

Curry's transfer credit review service allows you to quickly and easily understand how your prior credits can be applied to a Curry College bachelor's degree.

- Transfer credit policy allows you to transfer up to 90 credits toward your bachelor's degree
- Knowledgeable advisors can provide you with an on-the-spot assessment of transfer credits
- No time limit on prior earned credits
- No application fee for Continuing Education students

## REGISTRATION

### Financial Aid

Our team will help you explore all available financing options so you can make an informed decision. Federal financial assistance programs are available to those who qualify throughout the year along with a variety of private educational loan programs.

### Register Today

Online: Current students may log on to the myCurry Web Portal, then click on the Quick Launch "Course Registration" icon.

By Phone: Milton: (617) 333-2364 | Plymouth: (508) 747-2424

By Fax: Milton: (617) 979-3535

## ONLINE NURSING COURSES TERM I AUGUST 30 - OCTOBER 23

NSG 2100	RN Transition to Baccalaureate NSG (4 cr)	Fully Online
NSG 2201	Pathophysiology	Fully Online
NSG 3042	Evidence for Nursing Practice	Fully Online
NSG 3132	Population Health in the Community for the RN Student (4cr)	Fully Online

## ONLINE NURSING COURSES TERM II OCTOBER 25 - DECEMBER 18

NSG 2005	Health Assessment for the RN Student	Fully Online
NSG 2501	Pharmacology for the RN Student	Fully Online
NSG 3470	Health Policy and Finance	Fully Online
NSG 3986	Senior Seminar: Synthesis of Nursing Practice for the RN Student	Fully Online

**ONLINE, HYBRID & HYFLEX COURSES:** Online courses are delivered completely online. Where noted some courses may hold synchronous learning with live lectures scheduled online. Unless otherwise noted, all courses are offered in a Hybrid format that combines face-to-face and online activities. Hybrid courses may take a variety of formats, i.e., some are held weekly for a shorter period of time; others alternate face-to-face and online weeks. Actual required in-class meeting time in hybrid courses may vary by major and by individual course. With some courses, the schedule is adjusted based on the mutual needs of students and faculty. When possible, the specific meeting dates and times are indicated in this Guide. The specific schedule will be included in the syllabus and discussion on the first night of class. Hyflex courses are an extension of the Hybrid format where students have the choice to attend live lectures week-to-week either in-person or online by ZOOM.

## TERM I • FULLY ONLINE AUGUST 30 - OCTOBER 23

COURSE	TITLE

# TUITION AND REGISTRATION INFORMATION

## Registration Information

### Online

Curry Students should log on to the MyCurry Student Portal, and click on the Course Registration icon to access the Course Registration Request System. From there students can search for and select courses, and submit registration requests to the Continuing Education office.

Students taking their first course at Curry should go to the Continuing Education page on the Curry website at [www.curry.edu/cegrad](http://www.curry.edu/cegrad). At the top of the page click on Course Schedules, scroll down to click on Schedules/Key Dates/Registration, then select Guest Registration Portal to search for, select and submit course registration requests.

### In Person

Come to the Continuing and Graduate Studies Office during regularly scheduled office hours in Milton or Plymouth. (See inside back cover for campus hours.)

Milton: (617) 399-2364  
Plymouth: (508) 747-2424

## TUITION AND FEES

All tuition and fees are due at the time of registration.  
Rates below are effective Fall 2021 through Summer 2022

- Continuing Education Milton (after 4PM) \$375 per credit
- Continuing Education Plymouth \$375 per credit
- Massasoit Community College \$375 per credit
- Online Courses

\*Milton rate applies to weekday classes after 4:00 pm and weekend classes.

## Payment Options

A deferred payment option is available to Continuing Education students who demonstrate that they have a tuition reimbursement benefit through their employer or the government. Students who qualify may pay their tuition at the end of each course, rather than upon registration. Students in this category are responsible for payment, and tuition may not be left unpaid pending reimbursement by an employer or other agency. Please contact the Continuing and Graduate Studies Office for further details and to complete a Deferred Payment Request Form. The deferred payment option is not available for graduate courses but graduate students may inquire about a multiple payment plan by calling the Graduate Studies Office at (617) 333-2364.

Direct billing is available for students who demonstrate that their employer or other organization will be paying the college directly for their classes. Students in this category may register upon providing appropriate documentation, such as a purchase order or voucher.

Online payments: Curry College partners with Tuition Management Systems (TMS) to process credit/debit card and checking/savings account payments online. TMS accepts American Express, Discover, MasterCard and VISA cards. To pay online, simply log onto the TMS secure website at [www.curryce.afford.com/paynow](http://www.curryce.afford.com/paynow) and select "Make a One Time Payment". Students can also access this online payment gateway directly from the Curry Web Portal. Credit and debit card transactions will have a service fee applied. A transfer payment from a bank checking or savings account will not incur a service fee.

## Grade/Pass/Fail

Only Continuing Education courses outside of the student's major may be declared Pass/Fail. Only one course each semester may be graded in this manner. The deadline for declaring is the same as the withdrawal deadlines outlined in the Key Dates section of this Schedule Guide. Please request the form from any Continuing and Graduate Studies Office. The Pass/Fail option is not available for Graduate courses.

## Auditing a Course

Non-degree students may audit Continuing Education or Graduate courses on a space available basis. Auditors are subject to full tuition and fees for the course and must be formally registered. There is no auditing option in cohort-based programs.

## Add/Drop

You must contact the Continuing and Graduate Studies Office to add or drop a course. Students can add a course through the first week of classes by contacting any Continuing and Graduate Studies Office. Students who want to drop a course from their schedule must do so through any Continuing and Graduate Studies Office prior to the start of the term. A student is financially responsible for any courses that are not officially dropped before the first day of classes (see Refund Policy below).

## Withdrawal

You must contact the Continuing and Graduate Studies Office to withdraw from a course. Please refer to the Key Dates section of this Schedule Guide for specific withdrawal deadlines. Students will receive a "W" for a grade. Non-attendance does not constitute a withdrawal.

## Disability Services

Curry College is committed to providing accommodations for students with documented learning disorders, visual, hearing and mobility impairments, psychiatric disabilities and medical conditions. Academic accommodations are arranged on a case-by-case basis, and may include, but are not limited to: additional time to complete exams; a separate, more distraction-reduced exam room; note taker support; and textbooks in alternative format. For additional information, please call (617) 333-2385.

## Refund Policy

Full refunds will be made only if a course is canceled; if a student withdraws from a course before the course begins; or, if it is confirmed by the end of the add-drop period that the student has not attended.

Students who withdraw within the first two weeks\* of a course will receive a partial refund. The refund schedule is as follows:

- Students who withdraw within the first week of the course receive a 75% refund
- Students who withdraw within the second week of the course receive a 50% refund
- Students who withdraw during or after the third week of the course do not receive a refund

\* A course week begins on Monday and ends on Sunday.

The following refund policies apply to in-class, hybrid, and fully online courses.

### One-week Intensive Courses

If students drop before the second day of class, 75% refund.

### Two- and Three-week Intensive Courses

If students drop before the third day of class, 75% refund.

After these deadlines, students are financially responsible for the full cost of the course.

## Required Immunization Certificate

Massachusetts Law 105 CMR 220.600 requires Curry College to collect a certificate of immunization from all full-time students. This applies to any Continuing Education or Graduate student who is carrying a full-time course load.

For Continuing Education students Curry defines full time as 12 or more credits during a semester including intensive courses falling within a semester. As an example, if a CE student takes 6 credits in Term I and 6 credits in Term II, they would meet the definition of full time.

For Graduate students, Curry defines full time as 6 or more credits during a semester including intensive courses falling within a semester. An MBA student taking one 3 credit course in Term I and one 3 credit course in Term II would meet the definition of full time. An M.Ed, MACJ, or MSN student taking 6 or more credits during fall or spring semester would be considered full time.

If you know what your course load will be and you will meet the definition of a full-time student, please plan ahead and file your certificate of immunization prior to or with your registration. All students who have not filed the certificate and who are found to be in full-time status will receive a notice from Curry College that they have 30 days to file the certificate or future registration will be blocked.

Each full-time student must provide a certificate of immunization that the student has received the following:

- 1) At least one dose of mumps and rubella vaccine(s) given at or after 12 months of age
- 2) Two doses of live measles vaccine given at least one month apart beginning at or after 12 months of age
- 3) A booster dose of tetanus-diphtheria within the last ten years
- 4) Three doses of Hepatitis B vaccine

The certificate of immunization form and instructions can be obtained from any campus Continuing and Graduate Studies Office.

## Mandatory Health Insurance

Effective September 1, 1989, the Massachusetts Law C.15A, s. 18 requires that every full-time and part-time student enrolled in an institution of higher learning in Massachusetts participate in a Student Health Insurance Program (SHIP) or in a health benefit plan with comparable coverage. A part-time student is defined as a student participating in at least 75% of the full-time curriculum.

According to the state regulation comparable coverage is considered a health plan that provides comprehensive coverage, including preventive care, emergency services, surgical services, hospitalization benefits, ambulatory patient services, and mental health services. In addition, the services covered need to be reasonably accessible to the student in the area where the student attends school. Students are not allowed to waive coverage if their insurance carrier is from outside the U.S. (international insurance) or traveler's insurance. For further information about the Curry College health insurance plan, please visit [www.gallagherstudent.com/curry](http://www.gallagherstudent.com/curry).

For questions regarding the health insurance premium, contact the Curry College Office of Student Accounts at (617)333-2354.

## Bookstore

New and used textbooks for all Curry campuses can be purchased online via the Curry College Bookstore at [www.curry.bkstr.com](http://www.curry.bkstr.com). If you do not see a listing for your course online, or for students using Bookstore Vouchers, please contact the Curry Bookstore via email at [bookstor@curry.edu](mailto:bookstor@curry.edu) or via phone at (617) 333-2322.

In addition, textbooks for all Curry campuses can be purchased in person. The Curry College Bookstore is located on the second floor of the Student Center at the Milton Campus.

The Bookstore also carries a full line of Curry College clothing and gift items, school supplies, health and beauty products, snacks and beverages. Please call (617) 333-2322 for current store hours or visit the website at [www.curry.bkstr.com](http://www.curry.bkstr.com).

## I.D. Cards

Students may obtain a Photo I.D. Card from the Public Safety Office on the Milton campus or the Continuing Education and Graduate Studies Office at the Plymouth campus. I.D. Cards are optional but are required to use the Library. Please contact the Continuing and Graduate Studies Office in Milton or Plymouth for more details.

## Classroom Locations

Students can access their course schedule online for information on specific classroom locations and course faculty. Students can also obtain this information from any Continuing and Graduate Studies Office.

## Curry Student Web Portal & Student Email Accounts

All Continuing Education and Graduate students are assigned an online account to access the "myCurry" Web Portal. The Web Portal houses important academic and student information as well as other useful services, including Curry student Email (a Gmail account), Blackboard, course schedules, course assessments, grade reports, academic transcripts, library resources, and other financial aid and personal information. New students are provided with their Web Portal personal log in information in the welcome packet mailed to their permanent address. If lost or forgotten, password information is available in person at the Tech Center, by Curry College Email or in person at the CE/Grad Studies office. Please note, for your protection passwords are not given out over the telephone nor emailed to any non-Curry email address.

## Campus Safety

Curry College is committed to assisting all members of the College community in providing for their own safety and security. Information regarding campus security and personal safety including topics such as crime prevention, College law enforcement authority, crime reporting policies, crime statistics for the most recent three year period, and disciplinary procedures is available upon request from the Curry College Public Safety Office, 1071 Blue Hill Avenue, Milton, MA 02186 or by calling (617) 333-2232.

## Emergency Closing

Please call the Campus Emergency Hotline at (617) 333-2075 for up to date information on whether classes have been canceled. Messages will also be recorded on the main numbers for the Continuing and Graduate Studies Offices in Milton and Plymouth. The Emergency Hotline is generally updated by 7:00 am. Decisions on cancellation of evening classes are generally made by 3:00 pm. Every effort is made to contact faculty and students directly when a decision is made to close the College, but if in doubt, call the Hotline before traveling to class.

## Family Educational Rights and Privacy Act

In accordance with the Family Educational Rights and Privacy Act of 1974, Curry College permits its students to inspect their records wherever appropriate and to challenge specific parts of them when they feel it is necessary to do so. Specific details of the law as it applies to the College are contained in the Curry College Course Catalog.

## DIRECTIONS

### MILTON

Take Exit 2B off Route 128 onto Route 138 North (Blue Hill Avenue). Proceed through three traffic lights. The entrance to the Curry College campus is on your left.

### PLYMOUTH

From the north: Take Exit 18 off Route 3 S to MA-3A South/Main Street in Kingston. Continue on MA-3A South for 2 miles. Cordage Park is located on the left.  
From the south: Take Exit 15 off Route 3 N to US-44 East/Samoset Street Plymouth. Follow Court Street toward North Plymouth for 2 miles. Cordage Park is located on the right.

### PARKING:

**Milton:** All Continuing and Graduate Studies students must register their vehicles with the Curry Department of Public Safety. Valid parking permits are required to park on the Milton campus and are issued at the Public Safety office. The permit fee for Continuing and Graduate students is \$25 for the Spring semester only (\$50 for the full academic year). Students must present a valid driver's license and vehicle registration to obtain a permit. Students should take care to park in designated student parking areas or they may be ticketed or towed.

**Plymouth:** There is ample parking available and no parking fee or permit is required.
