	Online	NSG 3986	Synthesis Nsg Practice RN-BS		Maureen Murphy	

## **TUITION AND FEES**

All tuition and fees are due at the time of registration. Rates provided are effective Fall 2021 through Summer 2022. CE courses (not including the ACCEL cohort) are \$375 per credit.

### **Payment Options**

A deferred payment option is available to Continuing Education students who demonstrate that they have a tuition reimbursement benefit through their employer or the government. Students who qualify may pay their tuition at the end of each course, rather than upon registration. Students in this category are responsible for payment, and tuition may not be left unpaid pending reimbursement by an employer or other agency. Please contact the Continuing and Graduate Studies Office for further details and to complete a Tuition Deferment Request Form. The deferred payment option is not available for graduate courses but graduate students may inquire about a multiple payment plan by calling the Graduate Studies Office at (617) 333-2364.

Direct billing is available for students who demonstrate that their employer or other organization will be paying the college directly for their classes. Students in this category may register upon providing appropriate documentation, such as a purchase order or voucher.

Online payments: Curry College partners with Flywire to process credit/debit card and checking/savings account payments online. Flywire accepts American Express, Discover, MasterCard and VISA cards. To pay online, simply log onto the Flywire secure website at <https://curry.estore.flywire.com> and select the course(s) you wish to register for (ex. MATH 1150). Students can also access this online payment gateway directly from the Curry Web Portal. Credit and debit card transactions will have a service fee applied. A transfer payment from a bank checking or savings account will not incur a service fee.

### **Registration Information**

Online - Curry Students should log on to the MyCurry Student Portal and click on the Course Registration icon to access the Course Registration Request System. From there students can search for and select courses and submit registration requests to the Registrar's Office.

Students taking their first course at Curry should go to the Continuing Education page on the Curry website at [www.curry.edu/cegrad](http://www.curry.edu/cegrad). At the top of the page click on Course Schedules, scroll down to click on Schedules/Key Dates/Registration, then select Guest Registration Portal to search for, select and submit course registration requests.

### **Grade/Pass/Fail**

Only Continuing Education courses outside of the student's major may be declared Pass/Fail. Only one course each semester may be graded in this manner. The deadline for declaring is the same as the withdrawal deadlines outlined in the Key Dates section of this Schedule Guide. Please request the form from any Continuing and Graduate Studies Office. The Pass/Fail option is not available for Graduate courses.

### **Add/Drop/Withdrawal**

Students can add a course through the first week of classes each term. Students who want to drop a course from their schedule must do so through their MyCurry Portal and complete the Course Drop or Withdrawal Form prior to the start of the term. A student is financially responsible for any courses that are not officially dropped before the first day of classes (see Refund Policy below).

### **Disability Services**

Curry College is committed to providing accommodations for students with documented learning disorders, visual, hearing and mobility impairments, psychiatric disabilities and medical conditions. Academic accommodations are arranged on a case-by-case basis, and may include, but are not limited to: additional time to complete exams; a separate, more distraction-reduced exam room; note taker support; and textbooks in alternative format. For additional information, please call (617) 333-2385.

### **Refund Policy**

Full refunds will be made only if a course is canceled; if a student withdraws from a course before the course begins; or if it is confirmed by the end of the add-drop period that the student has not attended.

Students who withdraw within the first two weeks\* of a course will receive a partial refund. The refund schedule is as follows:

- Students who withdraw within the first week of the course receive a 75% refund
- Students who withdraw within the second week of the course receive a 50% refund
- Students who withdraw during or after the third week of the course do not receive a refund

\*A course week begins on Monday and ends on Sunday.

The following refund policies apply to in-class, hybrid/hyflex, and fully online courses.

#### *One-week Intensive Courses*

If students drop before the second day of class, 75% refund.

#### *Two- and Three-week Intensive Courses*

If students drop before the third day of class, 75% refund.

After these deadlines, students are financially responsible for the full cost of the course.
