

Curry College ASN Programs Admissions Criteria

The Admissions team evaluates all applicants on the following minimum general admissions criteria outlined below, as well as the program-specific criteria outlined below.

General Admissions Criteria

- Evidence of graduation from an accredited high school, completion of a GED with a minimum standard score of 150 for each test, or completion of the HiSET with a minimum standard score of 45
- A strong foundation in reading, writing, mathematics, and science

Nursing Program-Specific Admissions Criteria

Cumulative GPA

A 2.7 minimum cumulative GPA is required for all applicants who are:

- High School/GED/HiSET completers with no college coursework
- Transfer students and associate degree holders
- Bachelor's degree holders
- Licensed Practical Nurses (LPNs)

A 3.0 minimum cumulative GPA is required for all applicants who hold a master's degree or doctorate.

Prerequisites
