The MBA program is 36 credits. Each semester students enroll in two 3-credit courses that are scheduled consecutively. Some dates and times may be adjusted to accommodate holidays and other schedule conflicts.

MBA students substitute two of the core MBA courses plus add two additional Healthcare Management courses to earn an MBA with a Healthcare Management Specialization.

## **Application Process**

To receive priority consideration, submit all materials by July 15th to begin in Fall 2022. Applications received after the 15th will be reviewed on a space available basis.

## **MBA Program Tuition**

The MBA program has instituted an attractive fixed tuition cost to help students better manage their tuition payments. Our fixed tuition allows students to enter the program knowing the full cost of their MBA tuition and not be subject to an additional tuition increase as long as they remain enrolled in their original cohort group. The MBA program charges no additional course fees and an Alumni Discount may apply for those who qualify. The fixed tuition for MBA students entering in the Spring 2022 cohort is \$29,700 (approximately \$825 per credit X 35 credits).

## **Tuition Billing Process**

Students will be mailed a tuition bill monthly. Tuition payments are due within 30 days of registration and must be paid in full prior to the start of each semester. Students can view their student account at any time on the myCurry portal under the myFinances tab.
