*An alumni discount is available to those who qualify.*

## **Application Process**

To receive priority consideration, submit all materials by April 15 to begin in Summer 2020. Applications received after April 15 will be reviewed on a space available basis.

## **MBA Program Tuition**

The MBA program has instituted an attractive fixed tuition cost to help students better manage their tuition payments. Our fixed tuition allows students to enter the program knowing the full cost of their MBA tuition and not be subject to an additional tuition increase as long as they remain enrolled in their original cohort group. The MBA program charges no additional course fees and an Alumni Discount may apply for those who qualify. The fixed tuition for MBA students entering in the Summer 2020 is \$29,700 (approximately \$825 per credit X 35 credits).

## **Tuition Billing Process**

Students will be mailed a tuition bill monthly. Tuition payments are due within 30 days of registration and must be paid in full prior to the start of each semester. Students can view their student account at any time on the myCurry portal under the myFinances tab.

## **Tuition Payment**
