The Master of Education (M.Ed.) degree is a 34-credit, 5-semester program. All classes are delivered in a hybrid format, combining live lectures (hyflex) with online activities. The actual schedule may vary based on holidays and other scheduling issues.

Unless noted, all classes are 3-credits each. Schedule is subject to change.

Application Deadline

To receive priority consideration, submit all materials by July 15 to begin in Fall. Applications received after July 15 will be reviewed on a space available basis.

MED Program Tuition

The MED program has instituted an attractive fixed tuition cost to help students better manage their tuition payments. Our fixed tuition allows students to enter the program knowing the full cost of their MED tuition and not be subject to an additional tuition increase as long as they remain enrolled in their original cohort group. The MED program charges no additional course fees. For planning purposes, the fixed tuition for M.Ed. students that entered in Fall 2020 was \$18,950 (approximately \$557 per credit X 34 credits). Fall 2021 tuition will be announced in late May. Alumni pricing is available to those that qualify.

Tuition Billing Process

Approximately five weeks prior to the start of the fall, spring, and summer semesters, students will be mailed a tuition bill for their semester coursework. Tuition payments are due within 30 days of the billing date specified on the bill and must be paid in full prior to the start of each semester.

Curry College offers a Direct Billing option for students whose employer or other third party organization will be paying the College directly for their classes. Students who plan to use the direct billing option are required to provide appropriate documentation, such as a purchase order or voucher. For more information, please contact Continuing Education and Graduate Studies.

Tuition Payment

Tuition payments are due within 30 days of the billing date specified on your bill. Tuition can be paid by check or credit card. VISA, Discover, MasterCard, and American Express are accepted. To pay your tuition, chose one of the following options:

- Send a Personal Check/Money Order: Make checks payable to: Curry College
- Pay Online: Curry College partners with Tuition Management Systems (TMS) to process credit/debit card and checking/savings account payments online. TMS accepts American Express, Discover, MasterCard and VISA cards. To pay online, simply log onto the TMS secure website at www.curryce.afford.com/paynow and select "Make a One Time Payment". Students can also access this online payment gateway directly from the Curry Web Portal. Credit and debit card transactions will have a service fee applied. A transfer payment from a bank checking or savings account will not incur a service fee.
- Request a Payment Plan: Graduate students enrolled in a cohort program can take advantage of a convenient payment plan available through TMS (Tuition Management System) at www.afford.com/curry. This tuition management payment option allows students to spread tuition payments over two or three semesters with only a \$45 fee. We also offer a single semester plan (Fall or Spring) for an enrollment fee of \$35 in which the semester cost is paid to TMS in four installments.
- Call us: Our professional staff will take your credit card payment by phone. Call the Milton campus at 617-333-2364.

Federal Student Loans

Students wishing to apply for need-based financial assistance (Federal Direct Stafford Loans) should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. Curry College Federal School Code is 002143. FAFSA application can take up to two weeks to process.
