Because of the Coronavirus threat we must institute library policy changes:

- Masks must be worn at all times in the library regardless of vaccination status.
- You will be asked to check in at the main desk upon entering the library.

If you need reference or research help, librarians are available in-person and virtually. Library chat, email, and appointment scheduling [can be found here](#). Note: an appointment is not required to get research help, it is entirely optional.

We aim to provide a space for you that is a refuge from your classroom and dorm, as well as the chaos of our world. Even in this time of caution and increased vigilance, brought on by the pandemic, our library is a hub of learning, and a place for the nurturing of community.

Best wishes for a great semester!
