Part 1 – To be completed by student

If you are currently enrolled in or recently graduated from a college, university or high school in the United States, or you are completing a period of Optional Practical Training or Academic Training, you must notify your current school's International Student Advisor of your intent to transfer by completing Curry's Transfer Verification Form.

To initiate your transfer, complete Part 1 of the Transfer Verification Form included in your International Student Visa Document Request Packet (ISVDR). Then, ask your current institution's International Student Advisor to fill in Part 2. When the form is complete include it with your visa request packet and return it to the International Student Advisor at Curry College.

IMPORTANT: Once you report to Curry for registration, please make an appointment to meet with Liz Marsden, the International Student Advisor. **You must do this within 15 days of registration.** Failure to do so will result in a violation of your F-1 status and will be reported to SEVIS. Please bring your passport and I-20 to the appointment.
