Note: the information/terms are subject to change without notice. For additional information and applications, please call the numbers listed above or contact Curry College at 617-333-2354 or fin-aid@curry.edu. Curry College will work with and process Alternative Loans for any lender of your choice. Parents and students have the right to select the private loan lender of their choice without penalty by the College and are not required to use any private loan lender listed above. **Please refer to the Curry College website, www.curry.edu for details on the method and criteria used in choosing the Alternative Loan Lenders listed above. * All private loans are subject to credit approval.**

Truth in Lending (TILA) The Higher Education Opportunity Act (HEOA) enacted August 2008 amended the Truth-in-Lending Act (TILA) establishing private education loan disclosure requirements about loan terms on or with the loan application and lenders must also disclose information about lower cost alternatives like federal student loans. Additionally, once the loan is approved and finalized for disbursement, additional disclosures must be provided. These regulations were passed to ensure that borrowers of private education loans have the necessary information to make informed choices about financing products to fund educational costs. These regulations apply to all private education loans but not to loans under the Federal IV loan programs (Stafford, Perkins and PLUS). You may view a model private lender agreement (PLA) form at curry.edu/undergraduatefinancingoptions.

You will find, if you have borrowed a private educational loan previously, the process of applying for and receiving an education loan will take a longer period of time. Therefore, we encourage you to start early in the planning your educational financing so you do not experience delays in receiving your education loan proceeds. Under these new amendments, you, the borrower will have additional responsibilities as a loan borrower including acknowledgement of the disclosure statements and completion of the Self-Certification Form. We encourage you to check with your lender to ensure you complete all necessary paperwork. Also, we invite you to contact the Student Financial Services Office if you have any questions about these new requirements.

CURRY COLLEGE RESOURCES FOR ALTERNATIVE FINANCING 2017-2018 CONTINUING EDUCATION & NON-DEGREE FINANCING OPTIONS

Please consider that the borrower may be eligible for Federal Loans and such Federal Loans may have more beneficial terms than Alternative Loans.
