Applying for Financial Aid at Curry College
Returning Students
2018 – 2019

The 2018-2019 Free Application for Federal Student Aid (FAFSA) season began on October 1, 2017. Students can now complete the FAFSA for the 2018-2019 school year. Income and tax information reported will be from an earlier tax year. Students and their parents, as appropriate, will report **2016** income and tax information.

Priority Filing Deadline for Returning Students: April 15, 2018

Priority Filing Deadline for Massachusetts State Scholarship Consideration: May 1, 2018

ALL STUDENTS: Use the checklist below to make certain your application is complete:

- ✓ Complete the 2018-2019 Free Application for Federal Student Aid (FAFSA). You can apply online at www.fafsa.ed.gov.
- ✓ Students and parents are strongly encouraged to use the IRS Data Retrieval to transfer your 2016 federal tax return data directly to the FAFSA.
- ✓ Submit additional documents, if requested by the Office of Student Financial Services.

Note: The most common request for additional information is due to a process called verification. Verification is a process for confirming information reported on the FAFSA. It involves the collection and review of additional documents specified by the Department of Education. These include:

- ✓ *IRS data retrieval completed by the student and parent on the FAFSA, or IRS tax transcripts*
- ✓ *IRS confirmation of non-filing tax status by sending IRS form 4506T, if applicable and copies of all W2 forms for non-filers*
- ✓ *2018-2019 Verification Worksheet*
- ✓ *Additional documents as requested*
