## ENTERING STUDENTS APPLYING FOR FINANCIAL AID 2027–2028

**Curry College strongly encourages all students to apply for financial aid. Applying for financial aid is a simple process for all institutional, federal, and state financial aid.**

All prospective students are eligible to apply for financial aid as long as the student will be enrolled in a degree program, is a U.S. citizen or permanent resident, has a high school diploma, and meets all other general eligibility requirements for federal financial aid.

## How do I start?

Apply for an FSA-ID, if you do not already have an established FSA-ID:

- Students and parents should apply for a Federal Student ID (FSA-ID) at **studentaid.gov**. This allows you to electronically sign the Free Application for Federal Student Aid (FAFSA). At least one parent and the student must have their own FSA-ID.

Submit the FAFSA:

- The 2027-28 FAFSA may be submitted at studentaid.gov beginning on October 1, 2026. Curry College's federal code number is **002143**.
- Use the Direct Data Exchange to transfer your **2025** federal tax information directly to the FAFSA. Curry's priority deadline for applying is **March 1, 2027**.

## What other documents are required?

Students may be asked to submit additional documentation to determine or finalize their financial aid eligibility due to verification. Verification is a process confirming information reported on the FAFSA. It involves the collection and review of additional documents specified by the Department of Education. Student Financial Services will reach out to students individually with requests for additional documentation/information.

All requested documentation and information should be submitted directly to the Student Financial Services Office by email, fax or mail. Please include the student's name and Curry College ID on all documentation submitted.
