Dear Student and Parent:

- **ALL** newly enrolled full-time undergraduate students need to complete this form.

- The Health Form must be submitted directly to Health Services via mail, fax (617-333-2029) or email, healthservices@curry.edu. Please keep copies of all your forms for your records.

- Please fill out demographic information on page one, health insurance information on page two, and the TB Questionnaire Form on page three. All health information on page two and your immunization history on page three should be completed and signed by a healthcare provider. The TB questionnaire is to be completed by you and reviewed by your healthcare provider.

- All Nursing and Exploratory Health students are required to have a reactive Hepatitis B titer regardless of vaccination history. If your titer is non-reactive, you will require further immunization. Proof of immunity to varicella is required either by a reactive varicella titer OR two immunizations. If you require additional information please contact 617-391-5214.

- Please note, a physical exam is NOT required by the college. If you are an NCAA athlete, additional requirements and forms can be found on the Athletics website under Sports Medicine.

- Once the form is reviewed by Health Services the hold will be removed from the Student Portal. If the form is incomplete, you will be notified by phone or email and a health clinic hold will remain on the student’s portal.

- Travel medical insurance plans and international insurance plans **will NOT** be accepted for the 2018-2019 academic year.

- Out-of-state Health Maintenance Organizations (HMOs), Exclusive Provider Organizations (EPOs) and Out of State Medicaid Programs generally have a limited network of providers that will not provide comprehensive coverage in the area surrounding Curry College. Kaiser and Anthem are popular out of state HMO plans that do not provide coverage, other than for emergency situations, in Massachusetts. If you need lab work, imaging or a referral to a specialist, services may not be covered by your insurance. **Massachusetts State law requires students enrolled in 75% of full-time curriculum in any Massachusetts institution of higher education to participate in a school-sponsored qualifying student health insurance program or an alternate health plan with comparable coverage.** Therefore, before you waive the Curry College Student Health Plan, please make sure your current insurance coverage is comparable to the Student Health Insurance Plan. For additional information please visit: www.curry.edu/healthservices.

- If you have any questions or concerns, please call us at 617-333-2182 or email healthservices@curry.edu.

Thank you,
Health Services

Tuberculosis (TB) Risk Questionnaire

Have you ever had a positive TB skin test?  □ Yes  □ No

In the past two years, have you had close contact with anyone with TB?  □ Yes  □ No

Were you born in Asia, Africa, Central America, South America, Mexico, Eastern Europe, Caribbean, or the Middle East?  □ Yes  □ No

In the past five years, have you traveled or lived in Asia, Africa, Central America, South America, Mexico, Eastern Europe, Caribbean, or the Middle East for more than 1 month  □ Yes  □ No

If the answer is YES to any of the above questions, you are considered high risk and Health Services requires a TB test (PPD) or Interferon-Gamma Release Assay (IGRA), obtained within 6 months of matriculation and results documented below. If you have a history of positive skin test or IGRA, repeat testing is NOT required but chest x-ray results and treatment dates must be listed below:

If the answer is NO to all of the above questions, no further testing or action is required.
